Sub: GSPC Books long term re-gasification capacity in Dahej Terminal of Petronet LNG Limited.

Dear Sir,

In terms of Listing Agreement, we wish to inform that M/s GSPC has booked a capacity of 2.25 MMTPA on a long-term and firm basis in the Dahej terminal of Petronet LNG Limited. Relevant agreements to this effect with a 20-year term has been signed by Dr. A.K. Balyan, CEO & MD, PLL and Mr. Tapan Ray, Managing Director, GSPC on 5th January,2013

While a part of this capacity will be made available by PLL from its existing terminal after completion of second Jetty which is currently under construction, another part will be from the expanded capacity. PLL has embarked upon an expansion of the re-gasification terminal at Dahej to increase this capacity from the present 10 MMTPA to 15 MMTPA. The expansion is expected to be completed by the 1st quarter of 2016.

Besides the above capacity booking, both the Companies also agreed on various other initiatives which include connecting the proposed Gangavaram Terminal of PLL with the Mallavaram-Bhilwara pipeline being built by a consortium led by GSPL as also cooperating in the area of supplying LNG through CNG route to cater to the demands of the transport sector in the State of Gujarat.

This is for your kind reference please.

Thanking you.

Yours faithfully,

(K.C.Sharma)
Company Secretary
