Press Release

NIIT and Airports Authority of India (AAI) enter into a strategic partnership to create a computer literate and internet savvy workforce

- ***To provide instructor-led class room training to over 5000 employees of AAI***

New Delhi, September 30, 2015: NIIT, a global leader in skills and talent development entered into a strategic partnership with Airports Authority of India (AAI), to provide instructor-led class room training to over 5000 employees from AAI. The training program aims to make the employees computer literate and internet savvy. The formal agreement between NIIT and AAI was signed by Mr. Shivan Bhargava, Group President-Skills & Careers Group, NIIT Ltd. and Mr. Rajiv Goel, Executive Director (Training) AAI, in the presence of Mr. Anuj Aggarwal, Member (HR), AAI.

Under this agreement, NIIT will impart training to the employees of AAI in MS-Office and Internet & System introduction. NIIT will provide theory and practical sessions to the students and upon successful completion of the program students will be awarded Course Completion Certificates. The first batch will comprise 1500 employees from AAI.

Speaking on this significant partnership, **Shivan Bhargava, Group President-Skills & Careers Group, NIIT Ltd.** said, ***"We live in a digital age and it is imperative for every individual to have basic knowledge of computers and internet to be able to function and service customers better. We will therefore help improve the computer competency of the employees of AAI and make them technologically aware and internet savvy. We are delighted to join hands with Airports Authority of India (AAI) and will continue to work towards creating a technologically aware society."***

Mr. Rajiv Goel, Executive Director (Training) AAI, stated that, the training will be imparted to the group A, B & C category of employees to make them computer savvy to have better efficiency / productivity at workplace.

He said that, the training would be instructor-led in a classroom mode in a batch size of 20 participants. NIIT will provide training in the methodology of 50% concepts/theory sessions and 50% practical. The trainings will be conducted by M/s NIIT at their centre's with provision of all logistics in the same city of AAI airports or location finalized by AAI.

Mr. Anuj Aggarwal, Member (HR), AAI, emphasized on the need for up gradation of computer skills of the AAI employees for successful implementation of e-Governance initiatives and a beginning towards digital literacy as part of Digital India campaign. He further stated that the focus of AAI management is to provide competency based training to its employees to ensure quality services to its stakeholders.

The training program will be instructor-led, delivered in English in batch sizes of 20 students. The session for each batch will be for a span of 5 days for 8 hours per day. The training will be imparted to the group A, B & C category of employees to ensure successful implementation of e-office, up
