Sonata recognized as
2016 Microsoft Country Partner of the Year for India

Bangalore, India — June 7, 2016— Sonata today proudly announced it has won the 2016 Microsoft Country Partner of the Year Award for India. The company was honored among a global field of top Microsoft partners for demonstrating excellence in innovation and implementation of customer solutions based on Microsoft technology.

Speaking on the occasion, Sujit Mohanty, Head – Technology Infrastructure Group, Sonata said, "it's a great honor to win the country partner award from Microsoft for India yet again. The award recognizes the overall partnership of Sonata as a leading Licensing solution partner (LSP) and solutions provider on products for Microsoft India. It crowns over two decades of our continued commitments and recent successes in building new age digital enterprise solutions on Microsoft technologies. These solutions range from Cloud to Productivity to Core Infrastructure. In addition, Sonata is an early adopter of technologies such as Azure Security Center and Azure Stack."

Awards were presented in several categories, with winners chosen from a set of more than 2,500 entrants from 119 countries worldwide. Sonata was recognized for providing outstanding solutions and services, as well as representing excellent subsidiary engagement in India.

The Microsoft Country Partner of the Year Awards honor partners at the country level that have demonstrated business excellence in delivering Microsoft solutions to multiple customers over the past year. This award recognizes Sonata as succeeding in effective engagement with its local Microsoft office while showcasing innovation and business impact, driving customer satisfaction, and winning new customers.

"We are honored to recognize Sonata of India as a Microsoft Country Partner of the Year," said Gavriella Schuster, general manager, Worldwide Partner Group, Microsoft Corp. "Sonata is a prime example of the excellent talent we see in our Microsoft partner community to deliver innovative and transformative solutions."

The Microsoft Partner of the Year Awards recognize Microsoft partners that have developed and delivered exceptional Microsoft-based solutions over the past year.

About Sonata

Sonata Software is a global IT services firm focused on catalyzing transformational IT initiatives of its clients through deep domain knowledge, technology expertise and
