Water & Effluent Treatment Business of L&T Construction Wins Orders Valued ₹ 2,388 Crore.

Mumbai, July 12, 2018: The construction arm of Larsen & Toubro has won orders worth **₹ 2,388 crore.**

Water & Effluent Treatment Business:

Orders have been secured from the Madhya Pradesh Jal Nigam Maryadit for the execution of Satna, Kundaliya and Mohanpura Multi Village Rural Water Supply Schemes on turnkey basis. The projects are funded by the New Development Bank.

The aggregate scope of work includes design, engineering, supply & erection of 11,272 km of raw and clear water transmission & distribution pipelines, construction of intake wells, 3 water treatment plants with a cumulative capacity of 260 MLD, 1.5 Km of D-shaped tunnel, pump houses, clear water reservoirs, master balancing reservoirs, 129 ML water storage structures with associated electromechanical & instrumentation works and house service connections. The project involves automation including measurement of input & output water quantity and quality at each level through suitable SCADA & other instrumentation works thus aiming to have unaccounted for water at desired levels. The projects will cover 1,954 villages in Satna and Rajgarh districts of Madhya Pradesh.

Another EPC order has been received from the Tirunelveli Municipal Corporation for providing Underground Sewerage Scheme (UGSS) to additional areas of Tirunelveli Corporation - Phase II. The scope of work includes laying 225 Km of sewer pipelines, construction of RCC manholes, pumping stations, lifting stations and providing sewer connections to 55,000 households.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 18 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for eight decades.

** L&T Construction is a brand of Larsen & Toubro*
