Larsen & Toubro Wins Orders Valued ₹ 1,391 Crore

Mumbai, June 14, 2018: Larsen & Toubro Limited has won orders worth **₹ 1,391 Crore** across various business segments.

L&T Hydrocarbon Engineering Limited:
L&T Hydrocarbon Engineering Limited (LTHE), a wholly owned subsidiary of engineering and construction major Larsen & Toubro Limited, has won new orders in excess of ₹ 750 crore in its Construction Services business vertical.

The business has secured an order, with a value of approximately ₹ 450 crores, for pipelines & associated works in the southeastern region of India and received an award for additional works, worth approximately ₹ 300 crore, from an existing contract.

Water & Effluent Treatment Business:
The Business has secured orders worth **₹ 432 Crore.**

An EPC order has been secured from the Rural Water Supply and Sanitation, Odisha for providing water supply to 307 villages in Kendrapada, Jharsuguda and Angul Districts of Odisha. The scope of work includes supply & laying of transmission and distribution pipelines, design & construction of a water treatment plant, water retaining structures, intake & booster pumping stations and associated electromechanical & instrumentation works.

Smart World & Communication Business:
The Business has secured an order worth **₹ 209 Crore.**

An order is received for the smart city project in Allahabad as Master System Integrator (MSI) for implementation of surveillance system, traffic management system, smart elements and an Integrated Command & Control Center (ICCC) in the city. The scope also includes smart elements such as solid waste management system, emergency call boxes, smart parking, transit management system, environmental sensors, variable message display boards and e-Challan system.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 18 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.
