**Mumbai, 26th March 2018:** Brigade Group, one of India's leading Real Estate Developers headquartered in Bangalore, had an exclusive preview of Brigade Financial Centre (BFC) located in Gujarat International Finance-Tec City (GIFT City) today. GIFT is India's first operational smart city and India's only International Financial Services Centre (IFSC). The preview event took place in Mumbai. This visionary project is a landmark development in the Indian infrastructure space.

Speaking about this massive undertaking, Mr. M R Jaishankar, Chairman and Managing Director, Brigade Enterprises Limited said, "Brigade's BFC is a futuristic development, with two towers of approximately half a million sq ft of space. The first 3,15,000 sq ft has already been launched and is spread over 14 storeys. BFC will be a much sought after space within the ambitious GIFT City. BFC promises to be an iconic project that will set the stage for many corporates to establish themselves in GIFT City and also set the benchmark for future developments in GIFT City.

Speaking on the preview of the project, Mr. Vishal Mirchandani, CEO – Retail & Commercial, Brigade Enterprises Limited said, "India's financial sector is booming and the presence of a development with world class facilities catering to the sector was missing. Brigade Financial Centre will be one of the few buildings that will offer the finest quality of a work place environment".

"GIFT is experiencing immense interests from many domestic and global corporates from the Financial Services and other general Services sectors, which has a direct impact on demand for quality office space in GIFT SEZ and Domestic area. GIFT is delighted to have the Brigade Group as a partner. The launch of the Brigade Financial Centre in the GIFT SEZ provides the perfect platform to meet the surge in demand." says Ajay Pandey, Managing Director and Group Chief Executive Officer, GIFT City.
