Water & Effluent Treatment Business of L&T Construction Wins Orders Valued ₹ 5,704 Crore.

Mumbai, May 28, 2018: The **Water & Effluent Treatment** business of L&T Construction has secured orders worth **₹ 5,704 Crore.**

Two major turnkey orders have been secured from the Narmada Valley Development Authority (NVDA), government of Madhya Pradesh, for the execution of Indira Sagar Project - Parwati Phases I & II and Kalisindh Phase I Micro Lift Irrigation Schemes. These are repeat orders from NVDA.

These projects are envisaged to provide water for Micro-Irrigation to 2 lakh hectares of Culturable Command Area in Dewas, Sehore & Shajapur districts of Madhya Pradesh by lifting 32.04 cumecs of water from the Indira Sagar Project reservoir. The scope of work includes survey, design, procurement, construction and installation of pumping systems, rising mains, transmission and distribution pipeline networks, electrical power transmission line and automation system by SCADA.

An EPC order has been received from the Madhya Pradesh Jal Nigam Maryadit for the execution of Buxwaha Multi Village Rural Water Supply Scheme. The scope of work includes design, supply & installation of pipelines, design & construction of intake well, water treatment plant, pump houses, master balancing reservoirs, break pressure tanks, water storage structures with associated electromechanical & instrumentation works, house service connections and operation & maintenance for ten years.

The project will cover 299 villages of Sahgarh, Banda, Buxwaha, Batiyagarh, Bijwar and Hatta blocks in the Districts of Sagar, Chhatarpur and Damoh of Madhya Pradesh.

Background:
