Tata Consultancy Services Wins Red Hat North American Partner Award

TCS Named U.S. Partner of the Year for 2016 in the Commercial Category, Recognized for Outstanding Channel Contributions for Open Source Software

NEW YORK | MUMBAI, March 31, 2017: Tata Consultancy Services, (TCS), (BSE: 532540, NSE: TCS) a leading global IT services, consulting and business solutions organization, today announced that it has been named U.S. Partner of the Year, Commercial Category, by Red Hat, Inc., the world's leading provider of open source solutions. This award is part of the annual Red Hat North American Partner Awards, which were announced on March 28 at the 2017 Red Hat North American Partner Conference in Las Vegas.

TCS was honored for its dedication to providing innovative open source solutions to customers in the commercial sector. Specifically, TCS was recognized for driving innovative solutions and joint business in the areas of Digital, DevOps and Automation, including Cloud and Data Analytics. As a trusted Global Systems Integrator (GSI) Partner, TCS has collaborated with Red Hat on traditional, transformational and digital perspectives.

"Being named U.S. Partner of the year, Commercial Category, validates TCS' strong relationship with our valued partner, Red Hat. This award is also a testament to our ongoing commitment to be a strategic business partner to our customers to drive digital transformations," said Raman Venkatraman, Global Head, Alliance & Technology Unit.

Red Hat's 2016 North America Partner Awards honor both commercial and public sector partners for their dedication to successfully delivering innovative open source solutions to customers. Honorees were recognized for outstanding performance in 2016 across several categories that span Red Hat's open source portfolio and their dedication to delivering customer success.

"TCS is a valued channel partner to Red Hat, and we are pleased to honor them with this well-deserved award," said Mark Enzweiler, senior vice president, Global Channel Sales and Alliances, Red Hat. "We look forward to our continued relationship with TCS and helping them provide the best in open source solutions to their customers."
