Press Release

KIOCL Limited Lists On BSE

Equity Divestment By GOI Under Active Consideration

Mumbai. August 22, 2017. Bengaluru based KIOCL Limited, a four decade old profit making Schedule 'A', Mini Ratna under Ministry of Steel is now listed on BSE also. With market capitalisation of over Rs. 5000 crores, the company had the turnover of Rs. Rs. 929.36 crores and Profit after Tax of Rs.47.93 crores. KIOCL Limited is largely held by Government of India and currently manufactures and exports high quality Iron Oxide Pellets to global steel players and supplies Pig Iron to domestic market from its Pelletisation & Pig Iron Complex at Mangalore. KIOCL Limited was initially set up for mining and beneficiation of low grade Iron ore from Kudremukh Mines in Karnataka. Upon listing at BSE today, KIOCL stock is now tradable on both BSE & NSE.

At a formal listing ceremony, Shri M V Subba Rao, Chairman & Managing Director (Addl. Charge) & Director (Commercial), rang the traditional bell to mark the commencement of trading of the stock at BSE. Shri N. Vidyananda, Director (Project & Production), Shri S. K Gorai, Director (Finance) and other officials from the Company were also present at the ceremony.

Speaking on the occasion, Shri Subba Rao briefed about the current status of the Company and the strategic initiatives taken for achieving growth and further investment plans. He said, "We are keen that we reward our shareholders for their trust and confidence. We are sure that listing on BSE will enhance the liquidity in the market. As for future, our growth blueprint for next few years includes both inorganic as well as organic growth through strategic investments in Greenfield and Brownfield projects, increase capacity utilization and expand the market globally. We are well placed to contribute in Govt. of India's target of 300 million tons of steel production by 2030."

Shri Gorai, Director (Finance), while presenting the Company's performance in FY 2016-17, mentioned that KIOCL Limited's shares have shown remarkable appreciation in the last couple of months and closed at Rs.77 on Friday. He also mentioned that equity divestment by Government of India to bring it down its stake upto 25% to meet the LODR requirement is under active discussion and all possible options are being considered.
