PRESS RELEASE

Aurionpro to showcase SCMProFit at the 17th Annual Logistics CIO Forum

Mumbai, 04th, February, 2016

Aurionpro, a global leader accelerating digital innovation, securely and efficiently for global enterprises, will be showcasing its cloud based supply chain product SCMProFit at the 17th Annual Logistics CIO Forum being held from February 16-17th , 2016 at the Hyatt Place, Schiphol, Amsterdam.The event will focus on the key challenges faced by logistics industry CIO with the advent of data, technology and innovation.

Aurionpro's SCMProFit product suite is an industry leading cloud-based, fully-integrated supply chain platform, delivering state-of-the-art order management, freight management, warehousing, transportation and e-commerce fulfilment capabilities. SCMProFit enables you to streamline and enhance logistics operations by improving efficiencies by up to 25 percentage and optimizing working capital.

Naveen Mehta, Executive Vice President, and Head - Europe, Aurionpro said, "The world of logistics is undergoing change. As the Digital wave sweeps in, data, technology and innovation becomes very critical to success for CIOs of logistics organizations. Our product suite SCMProFit enables end-to-end cost visibility, workflow driven operations and seamless connectivity to ERP systems, carriers, customs and agent networks. SCMProFit has been leveraged by several leading logistics organizations to streamline and realize tangible improvement in key logistics processes, and we look forward to engaging conversations at the event."

About The Logistics CIO Forum:

The Logistics CIO Forum is the premier event in the European calendar where CIOs and VPs from the logistics and supply chain industry gather to dive deep into technology critical issues affecting supply chain, freight operating and logistics organisations.

Organized by eft, Supply Chain and Logistics Business Intelligence is the global leader in business intelligence and C-level networking for the transport, logistics and supply chain industry. It specializes in connecting senior industry executives with their industry peers, and with the crucial information they need to excel in their work.

About Aurionpro:
