L&T Construction Wins orders valued ₹ 1167 Crores

Mumbai, Aug 1, 2016: The construction arm of L&T has won orders worth ₹ **1167 crores** across various business segments.

Water & Effluent Treatment Business

The business has bagged engineering, procurement & construction orders worth ₹ **843 crores** from prestigious customers.

An order has been received from the Rashtriya Ispat Nigam Limited (RINL) for the construction of a second water storage reservoir in their Visakhapatnam Steel Plant. The scope includes construction of an additional Balancing Reservoir of 12.32 million cubic meters storage capacity and erection of associated structures which will meet the water requirements and ensure uninterrupted production from the Vizag Steel plant taking care of its expansion plans too.

Another order has been bagged from Karnataka Urban Water Supply & Distribution Board (KUWSDB) for "24/7 Pressurized Water Supply for Tumkuru City". This contract encompasses upgrading the existing water supply system for conversion to 24/7 supply. The scope of the project includes improvements to the 50 MLD WTP, laying of 560 km pipeline network, metered house service connections and other associated infrastructure works.

The Business also bagged an order from Public Health & Municipal Engineering Department (PHMED), Government of Andhra Pradesh for providing comprehensive Storm Water Drainage Scheme for Vijayawada city.

Metallurgical and Material Handling Business:

The Business has bagged orders worth ₹ **259 Crores** including add-ons.

A fresh order has been secured from Indian Oil Corporation Limited for the construction of Pet Coke Handling System in Haldia.

This order is in sync with the strategy to increase market presence in Pet Coke Handling.

Other Businesses:

Additional orders worth ₹ **65 crores** have been bagged by other businesses from various ongoing projects.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with USD 16 billion in revenue. It operates in over 30 countries worldwide.
