L&T Construction Wins Orders Valued ₹ 2275 Crore

Mumbai, February 2, 2018: The construction arm of Larsen & Toubro has won orders worth **₹ 2275 crore** across various business segments.

Water & Effluent Treatment Business:

The business has won orders worth **₹ 1255 Crore.**

An EPC order has been secured from Bangalore Development Authority for executing Utility Development and Management for Nadaprabhu Kempegowda Layout on a Design, Build & Operate (DBO) basis for Package -1. The scope includes 360 km of Potable Water Supply, Sewage Collection & Recycle Water Supply network and 85 km of Precast Utility Ducts. HT/LT Power Cabling, Smart Street Lighting, Fiber Optic Cables, Online Analyzers & SCADA form major components of the Electrical & Instrumentation scope. In addition, five Sewage Treatment Plants of combined capacity 22.5 Million Litres per Day (MLD) using the most advanced sewage treatment technology – MBR, have been proposed under the project.

Another EPC order has been secured from the Madhya Pradesh Jal Nigam Maryadit (MPJNM), Government of Madhya Pradesh, for providing water to the Seoni and Chappara Blocks of Seoni District. The scope includes supply and laying of pipelines, design and construction of intake pump houses, water treatment plant & various water storage structures including house service connections.

Power Transmission & Distribution Business:

The Business has bagged major solar EPC orders worth **₹ 590 crore.**

The NLC India Limited (formerly Neyveli Lignite Corporation Limited) has awarded an order for setting up of a 100 MW (AC) grid interactive solar photovoltaic power project in Tamil Nadu. This is one of the largest solar orders the business has secured from a Navratna enterprise of the Government of India.

The business has secured another order from SB Energy One Private Ltd., of SoftBank Group, for building a 100MW (AC) solar photovoltaic power plant at Bhadla Phase III Solar Park in Rajasthan.

Both these orders reflect the continued trust that L&T enjoys from leading government and private solar developers.

Buildings & Factories Business:

The business has won an order worth **₹ 430 Crore**

A repeat order has been received from a prestigious client for the construction of a residential project in Oman. The scope includes structure, architectural finishes, MEP services and external development.
