L&T Construction Wins Orders Valued ₹ 1458 Crores

Mumbai, Sep 2, 2016: The construction arm of L&T has won orders worth ₹ **1458 crores** across its various business segments.

Power Transmission & Distribution Business

The business has bagged Engineering, Procurement & Construction orders worth ₹ **654 crores** in the international and domestic markets.

In the international market, a contract has been secured from the National Grid Saudi Arabia (a subsidiary of Saudi Electricity Company) for the construction of a 132 kV double circuit transmission line and 132 kV cabling in the Rafah, Arar, and Sakaka areas of Saudi Arabia.

On the domestic front, an order, under Integrated Power Development Scheme (IPDS), has been bagged from Kanpur Electricity Supply Co. Ltd. (KESCo). The Urban Electrification project involves design and construction of new substations, feeders and upgradation of electricity network of Kanpur city in Uttar Pradesh. The project is expected to improve availability, reliability and quality of power supply in the district.

Another order has been received from Power Grid Corporation of India for the construction of Gas insulated substations in Vadodara, Navasari, Pune, and Gwalior cities.

An additional order has also been bagged in an ongoing project of the business.

Building & Factories Business

The business has bagged projects worth **₹ 518 crores** in the domestic market.

A breakthrough order has been secured from a reputed paint manufacturing company for the construction of a new manufacturing facility in Karnataka. The project scope includes civil and allied structural works.

The business has bagged a residential project at Bengaluru from a renowned customer. The order involves civil and structural works for the construction of seven towers of G+14 and 11 towers of G+15 with two levels of common basement.

Cont…

Smart World & Communication Business

The business has secured an order worth **₹ 200 crores** from Bihar State Electronics Development Corporation (BSEDC) for the implementation of a Wi-Fi Project in the campuses of government universities, constituent colleges and other premier academic institutions in the state of Bihar.

Other Businesses

Additional orders worth **₹ 86 crores** have been bagged by other businesses from various ongoing projects.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with USD 16 billion in revenue.
