Maithon Power Plant honoured for Environment Management on the occasion of World Environment Day, by JSPCB

Dhanbad and Ranchi, 7th June, 2016: Tata Power, India's largest integrated power company has been relentlessly working towards environment conservation and is committed to the sustainable growth, protection and conservation of nature. In recognition of this commitment, Maithon Power Ltd (MPL) the Company's 74:26 joint venture with Damodar Valley Corporation (DVC), has been honoured with 2nd runners up award by JSPCB (Jharkhand State Pollution Control Board) for Environment Management on the occasion of World Environment Day.

The award was given on 'World Environment Day' at a seminar organised by JSPCB at BNR CHANAKYA Ranchi. The JSPCB awards were held to recognise the efforts by the industries towards protecting the environment and prevent pollution. The award was given by CHAIRMAN, Jharkhand State Pollution Control Board in the presence of Chief Secretary Govt of Jharkhand & Principal Secretary Forest & Environment, Govt. of Jharkhand. On behalf of MPL, it was received by Mr Rakesh Jai Narayan Singh, Chief O&M Services Maithon Power Limited. The Company is the first to be honoured among the various power companies.

Speaking on the achievement, **Mr. K. Chandrashekhar, CEO & ED - Maithon Power Ltd,** said, *"It is an honour to have been conferred by JSPCB for Environment Management. We humbly acknowledge this honour with pride and will ensure continued commitment towards protecting the environment.*

"It's a proud moment for us and we are committed to nurturing the environment. I would like to take this opportunity to congratulate the team for their contribution in the form of sustainable and conservation initiatives" added **Mr. P. Thakur, Dy. Chief Executive Officer- Maithon Power Ltd.**

The JSPCB is a statutory authority to ensure proper implementation of the statutes, judicial and legislative pronouncements related to environmental protection within the state of Jharkhand. Last year, MPL was conferred for Rain Water Harvesting by JSPCB. Other industries who participated in the awards were Tata Steel, Tata Motors, Usha Martin, BCCL, CCL, BTPS, CTPS, Bokaro Steel, Bokaro Power, Dalmia Cement etc.

About Tata Power:

Tata Power is India's largest integrated power company with a growing international presence. The Company together with its subsidiaries and jointly controlled entities has an installed gross generation capacity of 9184 MW and a presence in all the segments of the power sector viz. Fuel Security and Logistics, Generation (thermal, hydro, solar and wind), Transmission, Distribution and Trading. It has successful public-private partnerships in Generation, Transmission and Distribution in India namely "Tata Power Delhi Distribution Limited" with Delhi Vidyut Board for distribution in North Delhi, 'Powerlinks Transmission Ltd.' with Power Grid Corporation of India Ltd. for evacuation of Power from Tala hydro plant in Bhutan to Delhi and 'Maithon Power Ltd.' with Damodar Valley Corporation for a 1050 MW Mega Power Project at Jharkhand. Tata Power is serving more than 2 million distribution consumers in India and has developed the country's first 4000 MW Ultra Mega Power Project at Mundra (Gujarat) based on super-critical technology. It is also one of the largest renewable energy players in India with a clean energy portfolio of 1749 MW. Its international presence includes strategic investments in Indonesia through a 30% stake in the leading coal company PT Kaltim Prima Coal (KPC), 26% stake in mines at PT Baramulti Suksessarana Tbk ("BSSR"); in Singapore through Trust Energy Resources to securitize coal supply and the shipping of coal for its thermal power generation operations; in South Africa through a joint venture called 'Cennergi' to develop projects in sub-Sahara Africa; in Zambia through 50:50 joint venture with ZESCO for 120 MW Hydro which has become operational in 2016; in Georgia through AGL which is a joint venture with Clean Energy, Norway & IFC for development of 185 MW hydro project which is scheduled to be commissioned in 2016; in Australia through investments in enhanced geothermal and clean coal technologies and in Bhutan through a hydro project in partnership with The Royal Government of Bhutan. With its track record of technology leadership, project execution excellence, world class safety processes, customer care and driving green initiatives, Tata Power is poised for a multi-fold growth and committed to 'lighting up lives' for generations to come".
