Dear Sirs,

Tata Power commemorates its Centenary journey by releasing a postage stamp

The Company recently culminated its centennial celebrations by releasing its official postage stamp that has been created as a memento to the Company's 100 years contribution to India's growth story. Commemorating the efforts and contribution by the company towards lighting up lives with Invisible Goodness, the Company dedicated the stamp towards building the nation greener in the next 100 years. The stamp was unveiled by the **Chief Post Master General**, **Mr. L. N Sharma** in the presence of Mr. Anil Sardana, CEO & Managing Director, Tata Power.

The stamp symbolises the Company's commitment and dedication to realise the vision of its founder, Mr. Jamshetji Tata, that 'clean, cheap and abundant power is one of the basic ingredients for the economic progress of a city, state or country'. The occasion was also graced by some senior leaders of the Tata Group and Government officials from Department of Post.

The Press Release to be issued by the Company is attached for your ready reference.

Yours faithfully,
For The Tata Power Company Limited

(H. M. Mistry)
Company Secretary

Tata Power commemorates its Centenary journey by releasing a postage stamp

*The stamp was unveiled by the **Chief Post Master General, Mr. L. N Sharma***

National, 10th June, 2016: Tata Power, India's largest integrated power company, recently culminated its centennial celebrations by releasing its official postage stamp that has been created as a memento to the Company's 100 years contribution to India's growth story. Commemorating the efforts and contribution by the company towards lighting up lives with Invisible Goodness, the Company dedicated the stamp towards building the nation greener in the next 100 years. The stamp was unveiled by the **Chief Post Master General, Mr. L. N Sharma** in the presence of Mr. Anil Sardana, CEO & MD, Tata Power.

The stamp symbolises the Company's commitment and dedication to realise the vision of its founder, Mr. Jamshetji Tata, that *'clean, cheap & abundant power is one of the basic ingredients for the economic progress of a city, state or country'*. The occasion was also graced by some Senior Leaders of the Tata Group and Government officials from Department of Post.

Expressing his delight, **Mr. Anil Sardana, CEO & MD, Tata Power**, said, *"A hundred years into its operations, Tata Power today stands tall as an industry pioneer, with a vision to help fast-track India's growth story. The welfare of our employees and the communities at large has always been a core priority of Tata Power, and it would continue to be so in the coming years. The release of our official stamp symbolizes all our endeavors, achievements, and accomplishments spread over 10 decades. We are very thankful to the Minister for IT & Posts & entire team of Postal department, Government of India for agreeing to have a stamp to commemorate 100 years of Tata Power. We also appreciate Mr. Sharma, Chief Post Master General, for releasing the stamp & sharing this moment of huge pride and happiness with us today."*

Tata Power, had, recently chronicled its 100 year old journey in a book titled '*Invisible Goodness: the story of Tata Power*' written by bestselling author Mr. Anil Dharker. The book elucidates not only on Tata Power being a pioneer and a technologically advanced company who believes in being a training ground for power engineers, but also a company that defines trust, safety and care as part of its core values.

Unveiling of the Stamp

About Tata Power:

Tata Power is India's largest integrated power company with a growing international presence. The Company together with its subsidiaries and jointly controlled entities has an installed gross generation capacity of 9184 MW and a presence in all the segments of the power sector viz. Fuel Security and Logistics, Generation (thermal, hydro, solar and wind), Transmission, Distribution and Trading. It has successful public-private partnerships in Generation, Transmission and Distribution in India namely "Tata Power Delhi Distribution Limited" with Delhi Vidyut Board for distribution in North Delhi, 'Powerlinks Transmission Ltd.' with Power Grid Corporation of India Ltd. for evacuation of Power from Tala hydro plant in Bhutan to Delhi and 'Maithon Power Ltd.' with Damodar Valley Corporation for a 1050 MW Mega Power Project at Jharkhand. Tata Power is serving more than 2.6 million distribution consumers in India and has developed the country's first 4000 MW Ultra Mega Power Project at Mundra (Gujarat) based on super-critical technology. It is also one of the largest renewable energy players in India with a clean energy portfolio of 1749 MW. Its international presence includes strategic investments in Indonesia through a 30% stake in the leading coal company PT Kaltim Prima Coal (KPC), 26% stake in mines at PT Baramulti Suksessarana Tbk ("BSSR"); in Singapore through Trust Energy Resources to securitize coal supply and the shipping of coal for its thermal power generation operations; in South Africa through a joint venture called 'Cennergi' to develop projects in sub-Sahara Africa; in Zambia through 50:50 joint venture with ZESCO for 120 MW Hydro which has become operational in 2016; in Georgia through AGL which is a joint venture with Clean Energy, Norway & IFC for development of 185 MW hydro project which is scheduled to be commissioned in 2016; in Australia through investments in enhanced geothermal and clean coal technologies and in Bhutan through a hydro project in partnership with The Royal Government of Bhutan. With its track record of technology leadership, project execution excellence, world class safety processes, customer care and driving green initiatives, Tata Power is poised for a multi-fold growth and committed to 'lighting up lives' for generations to come".
