Skipper Limited secures New Orders

- *Secured new orders worth Rs.500 crores in its Engineering & Infrastructure business segments*
- *The order mix has both national & international customers*

Kolkata, 12 February 2016: Skipper Limited, one of the renowned Power Transmission & Distribution and PVC Pipes manufacturing players in India, announced new orders worth approximately Rupees 500 crores in its Engineering & Infrastructure business segments.

In an announcement today, the company shared the news of securing fresh new orders worth approx. Rs.500 crores for domestic transmission tower supply & EPC line construction from Uttar Pradesh Power Transmission Corporation Ltd, Teesta Valley Power Transmission Ltd (a PGCIL JV company), as well as the company's first export supply order from Egypt.

Commenting on the new orders, Mr. Sharan Bansal, Director Skipper Limited, said "We continue to strengthen our T&D order book and are happy to announce our entry into the North Africa market in Egypt. The strong pipeline of orders from both domestic and international markets, provide us with clear growth visibility for next 2 years. Furthermore, the company has also participated and submitted tenders worth over Rs.2,500 crores during the current financial year and expects to see a significant portion of those getting converted into the order books going forward."
