L&T Hydrocarbon Engineering Secures Order Valued more than ₹ 2,200 Crore

Mumbai, 12th February 2018: L&T Hydrocarbon Engineering Limited (LTHE), a wholly owned subsidiary of Larsen & Toubro, has signed a major field development EPC contract with Al Dhafra Petroleum Operations Company Limited, Abu Dhabi, UAE, with a value in excess of ₹ 2,200 crore.

Al Dhafra Petroleum is a joint venture between ADNOC and Korea National Oil Corporation (KNOC) and GS Energy, which is represented by Korean Abu Dhabi Oil Consortium (KADOC).

The scope of the contract includes Engineering, Procurement, Construction & Commissioning of flow lines, gathering facilities & pipelines to transfer crude oil & gas from Haliba fields to processing facility at Asab and installation of 132 kV and 33 kV overhead electrical transmission lines to supply power.

The order reinforces LTHE's unique capability to deliver 'design to build' engineering and construction solutions across the hydrocarbon spectrum.

L&T has been serving the onshore hydrocarbon sector since early 1990's. The Company's track record includes successful completion of several challenging projects for domestic and International Clients.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 17 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.
