L&T Hydrocarbon Engineering Wins Orders worth in excess of ₹ 1600 Crores

Mumbai, March 14, 2018: L&T Hydrocarbon Engineering Limited (LTHE), a wholly owned subsidiary of Engineering and Construction major Larsen & Toubro Limited, has won orders worth in excess of ₹ 1600 Crores across various business segments.

The Onshore Projects business of LTHE has secured a lump sum turnkey contract, from a leading Indian Client, for the design, supply, and construction of a large LNG Tank facility in the east coast of India. The business also secured additional work from existing projects under execution in Saudi Arabia & Kuwait.

The Construction Services business of LTHE also secured an additional order, from a prestigious client, for a new Coal Bed Methane facility being developed in the central region of India.

Organized under Offshore, Onshore, Construction Services, Modular Fabrication and Engineering Services verticals, LTHE delivers 'design to build' engineering and construction solutions across the hydrocarbon spectrum.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 17 Billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.
