SPML PRESS RELEASE
For Immediate Release

SPML Infra Secures New Ordersworth INR812.49 Crore

- **INR 549.87 Crore Order from Rural Water Supply and Sanitation Department, Government of Telangana**
- **INR 262.62 Crore Order from Public Health Engineering Department, Bharatpur, Rajasthan**

Gurgaon, February15, 2016

SPML Infra Limited has received two major new orders for drinking water supply worth INR 812.49 Crore from the state of Rajasthan and Telangana.

The order of **INR 549.87**Crore has been received from Rural Water Supply and Sanitation Department, Government of Telangana for providing drinking water facility to the habitations in Manthani–Bhupalapallysegment (under Karimnagar and Warrangal district) including operation and maintenance for 10 years.The project objective is to provide safe drinking water at household level up to kitchen at the defined and approved norms such that the people, especially women need not go to the streets for collection of water from public stand posts or from other facilities. Theproject is initiated under the scheme to provide safe, adequate, permanent, sustainable and secured drinking water supply system through the Telangana Drinking Water Supply Project for covering Rural, Urban and Industrial areas by year 2018 as per with National Rural Drinking Water Supply Guidelines. SPML Infra will be executing this project in joint venture with Megha Engineering and Infrastructure Ltd. The scope of work includes 32 MLD water treatment plant, 11370 KL ground level water reservoir, 1400 KL overhead service reservoir, 1341 kilometers water supply pipeline of DI, MS, HDPE pipesof65-900 mm diameters.

Another order of **INR 262.62** Crore is received from PHED, Bharatpur, Rajasthan for providing drinking water supply to 97 villages of Mallah, Deeg, Kumher, Kaman, Pahari, Nagar under Chambal Dholpur Bharatpur Project. The scope of work include installation of 2 pumping stations, construction of 14 overhead service reservoirs, 4 clear water reservoirs with combined capacity of 21080 KL, 700 kilometers of water pipeline of DI, MS, GRP and HDPE pipes of 63-1000 mm diameters with 10 years of operation and maintenance.

Mr. Rishabh Sethi, Executive Director, SPML Infra, commented**,** *"This is a significant order in the water supply segment from Telangana and we hope that this is a beginning for manysuch projects involving development of water infrastructure in the state. We are happy that our work in Rajasthan has got the boost with this new order and we arecommittedfor the development of water infrastructure in the state. These mandatesare truly representative ofour expertise in water infrastructure space and with the support of our JV partner we are confident ofdelivering as per the requirements of our clients."*

About SPML Infra Ltd.:

SPML Infra is a leading infrastructure development company of India. With over three decades of experience, SPML has executed almost 600 turnkey projects and created significant value for our country that have touched the lives of millions of people; be it provision of drinking water, improved sewerage facilities, better municipal waste management, building roads and highways and lighting up homes. An ISO–9001: 2008 certified company, SPML has established its leadership in urban infrastructure development on EPC, PPP and BOOT basis. The Project Management Systems includes conceptualization & implementation with SAP-Enterprise Resource Planning applications and Quality Management Systems to undertake all kinds of projects.
