Power Transmission & Distribution Business of L&T Construction Wins Orders Valued ₹ 2,440 Crores

Mumbai, May 17, 2018: The Power Transmission & Distribution Business of L&T Construction has bagged EPC orders worth **₹ 2,440 crores** which include:

- A major order is received under the Saubhagya scheme. The scope of these packages involves electrification works in urban and rural areas, augmentation of 33/11kV substations and replacement of conductors with aerial bunched cables.
- An order secured from the Department of Disaster Management for the construction of underground power cable network on turnkey basis in the eastern region of India.
- To build grid-connected rooftop solar plants in government buildings under the 'Alo Shree' scheme.
- An order for supply, erection, testing and commissioning of 400kV double circuit transmission lines on a turnkey basis in the southern region of India.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over **USD 17 billion** in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.

** L&T Construction is a brand of Larsen & Toubro*
