L&T Construction Wins Orders Valued ₹ 1,504 Crore

Mumbai, May 18, 2018: The **Heavy Civil Infrastructure business** of L&T Construction has bagged orders worth **₹ 1,504 crore.**

The business has won a marine infrastructure project of national importance by securing an order from the Cochin Shipyard Ltd. for part design and construction of a Dry Dock along with associated works.

The prestigious project involves the construction of a new Dry Dock-03, MEP works including pump house, crane rail foundations, caisson entrance gates & intermediate gates, quay wall crane piers, underground substation & tunnels and grand assembly area which is to be completed in stringent timelines.

“This is a significant win in the heavy civil infrastructure space and a major project for us,” said Mr. S.N. Subrahmanyan, CEO & MD – Larsen & Toubro. “This mandate is truly representative of our expertise and proven track record of constructing marine infrastructure all along the Indian coastline. We are confident of delivering this project too on time to international quality standards” he added.

L&T GeoStructure has received an order from the Kalinga International Coal Terminal Paradip Private Limited for construction of piling, diaphragm wall and berth deck at Paradip Port, Odisha.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over **USD 17 billion** in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.

** L&T Construction is a brand of Larsen & Toubro*
