Tata Power bags two prestigious awards at the 55th Association of Business Communicators Awards Nite 2016

National, 22nd March, 2016: Tata Power, India's largest integrated Power Company has won two prestigious communication awards at the 55th 'Association of Business Communicators of India' (ABCI) Awards Nite 2016. Tata Power has bagged 2 distinct awards in categories – **'Special Column Award' and 'Civic & Moral Values'**

ABCI is the only association of its kind in India to promote excellence in business communications. The association organizes Annual Awards Nite to recognize and reward outstanding talent in the profession of business communications.

Enerji Talk, Tata Power's internal magazine reaching about 4000 employees won Bronze for its **Travelogue section** in the category of **'Special column award'**. Travelogue is a quarterly double spread in the magazine and includes personal experiences of employees travelling to various destinations.

Appreciating efforts for awareness of civic and moral values, **Tata Power's Club Enerji** has been awarded bronze for its **'Civic & Moral Values Booklet'**. The booklet talks about the qualities of an ideal citizen, and what qualities can be inculcated in children for them to become responsible citizens.

Speaking on the occasion, **Mr. Anil Sardana, CEO and Managing Director, Tata Power** said, *"We are honoured to be recognized and to have received these prestigious awards in the field of Business Communications. It encourages us that our team efforts towards internal communications and promoting awareness towards moral and civic values through our brand property, Club Enerji has been appreciated by the jury members. I thank the jury members for recognizing the hard work put in across various domains by the Tata Power team members who made this possible".*

ABCI is India's largest non-profit organization for Business communications professionals since 1957. ABCI builds the Business Communications profession and the public relations profession. Comprising of nearly 1,000 members, it represents business and industry, technology, counseling firms, government, associations, and hospitals, schools for communications, professional services firms and non-profit organisations.

About Tata Power:

Tata Power is India's largest integrated power company with a growing international presence. The Company together with its subsidiaries and jointly controlled entities has an installed gross generation capacity of 9130 MW and a presence in all the segments of the power sector viz. Fuel Security and Logistics, Generation (thermal, hydro, solar and wind), Transmission, Distribution and Trading. It has successful public-private partnerships in Generation, Transmission and Distribution in India namely "Tata Power Delhi Distribution Limited" with Delhi Vidyut Board for distribution in North Delhi, 'Powerlinks Transmission Ltd.' with Power Grid Corporation of India Ltd. for evacuation of Power from Tala hydro plant in Bhutan to Delhi and 'Maithon Power Ltd.' with Damodar Valley Corporation for a 1050 MW Mega Power Project at Jharkhand. Tata Power is serving more than 2 million distribution consumers in India and has developed the country's first 4000 MW Ultra Mega Power Project at Mundra (Gujarat) based on super-critical technology. It is also one of the largest renewable energy players in India with a clean energy portfolio of 1630 MW. Its international presence includes strategic investments in Indonesia through a 30% stake in the leading coal company PT Kaltim Prima Coal (KPC), 26% stake in mines at PT Baramulti Suksessarana Tbk ("BSSR") and a geothermal project; in Singapore through Trust Energy Resources to securitize coal supply and the shipping of coal for its thermal power generation operations; in South Africa through a joint venture called 'Cennergi' to develop projects in sub-Sahara Africa; in Zambia through 50:50 joint venture with ZESCO for 120 MW Hydro which has become operational in 2016; in Georgia through AGL which is a joint venture with Clean Energy, Norway & IFC for development of 185 MW hydro project which is scheduled to be commissioned in 2016; in Australia through investments in enhanced geothermal and clean coal technologies and in Bhutan through a hydro project in partnership with The Royal Government of Bhutan. With its track record of technology leadership, project execution excellence, world class safety processes, customer care and driving green initiatives, Tata Power is poised for a multi-fold growth and committed to 'lighting up lives' for generations to come".
