Dear Sirs,

Tata Power's Club Enerji sensitises 2.2 lakh citizens across Delhi; saves close to 9.5 lakh MUs of energy in the city

The Company's nationwide resource and energy conservation movement Club Enerji, has been relentlessly spreading awareness about resource conservation across the country, through its theme of national building. Continuing with its momentum, in 2015-16, Tata Power Club Enerji sensitised around 2.2 lakh citizens in Delhi through primary contact programme and secondary sensitisation and saved around 9.5 lakh MUs in the city of Delhi.

Tata Power's 'Energy Conservation Programme' introduced in more than 25 schools in the city, aims at creating maximum impact by educating and creating awareness amongst citizens on the effective management and conservation of energy in our everyday life. Tata Power's Club Enerji movement in New Delhi currently has 4,266 Energy Champions and 2,645 Energy Ambassadors across schools.

The Club Enerji initiative has been contributing extensively towards a brighter and greener tomorrow by undertaking several successful initiatives.In 2015-16 the programme also launched an online module (http://www.clubenerji.com/) of the Club Enerji programme wherein the users would simply need to register for a detailed access to it. As part of its initiatives, Club Enerji recently organised activities for the school students like nature trails and visits to Tata Power Mahseer hatchery in Lonavala to increase awareness on its conservation projects and also provide practical knowledge about the environment.

The Press Release to be issued by the Company is attached for your ready reference.

Yours faithfully,
For The Tata Power Company Limited

(H. M. Mistry)

Tata Power's Club Enerji sensitises 2.2 lakh citizens across Delhi; saves close to 9.5 lakh MUs of energy in the city

New Delhi, 22nd June, 2016 - Tata Power's nationwide resource and energy conservation movement Club Enerji, has been relentlessly spreading awareness about resource conservation across the country, through its theme of national building. Continuing with its momentum, in 2015-16, Tata Power Club Enerji sensitised around 2.2 lakh citizens in Delhi through primary contact programme and secondary sensitisation and saved around 9.5 lakh MUs in the city of Delhi.

Tata Power's 'Energy Conservation Programme' introduced in more than 25 schools in the city, aims at creating maximum impact by educating and creating awareness amongst citizens on the effective management and conservation of energy in our everyday life. Tata Power's Club Enerji movement in New Delhi currently has 4,266 Energy Champions and 2,645 Energy Ambassadors across schools.

The Club Enerji initiative has been contributing extensively towards a brighter and greener tomorrow by undertaking several successful initiatives.In 2015-16 the programme also launched an online module (http://www.clubenerji.com/) of the Club Enerji programme wherein the users would simply need to register for a detailed access to it. As part of its initiatives, Club Enerji recently organised activities for the school students like nature trails and visits to Tata Power Mahseer hatchery in Lonavala to increase awareness on its conservation projects and also provide practical knowledge about the environment.

Speaking on this accomplishment, **Mr Anil Sardana, CEO & Managing Director, Tata Power** stated, *"We, at Tata Power are delighted and proud to achieve this significant milestone with our focused approach of spreading the message of energy conservation across the country. Today, it gives me immense pleasure to say that our efforts have managed to save a considerable amount of energy in New Delhi which could light up thousands of homes in the city. We would like to thank our partners, students, principals, teachers, and parents in helping us achieve this milestone."*

Club Enerji also encourages students to form their own mini clubs in their schools and societies to reach out to more citizens. In FY15-16, the Club members have collectively saved 3.5 million units of electricity and sensitized more than 2.5 million (25 lakh) citizens across the nation. Tata Power has added a feather to its cap by organizing Energy-Q championship to honour the young minds on their Energy Quotient.

About Tata Power Club Enerji:

Tata Power started its school outreach programme, "Tata Power Energy Club" in 2007. In 2009, Club Enerji took its next big leap, with the programme turning into a national movement, covering more than 500 schools across Mumbai, Delhi, Pune, Ahmedabad, Bengaluru, Kolkata, Belgaum, Jamshedpur and Lonavla and further attained a new milestone of achieving over one million citizens sensitisation and more than one million units energy savings. School children, from Class III to Class IX, are taught the importance of conserving energy through innovative modules which include audiovisuals and power point presentations. Children are imparted energy saving and resource conservation tips during these sessions, usage of which have shown dramatic savings. Club Enerji reached out to more than 12.8 million, collectively saved 17.26 million units of electricity and is present in 11 cities across 500 schools in India.

About Tata Power:

Tata Power is India's largest integrated power company with a growing international presence. The Company together with its subsidiaries and jointly controlled entities has an installed gross generation capacity of 9184 MW and a presence in all the segments of the power sector viz. Fuel Security and Logistics, Generation (thermal, hydro, solar and wind), Transmission, Distribution and Trading. It has successful public-private partnerships in Generation, Transmission and Distribution in India namely "Tata Power Delhi Distribution Limited" with Delhi Vidyut Board for distribution in North Delhi, 'Powerlinks Transmission Ltd.' with Power Grid Corporation of India Ltd. for evacuation of Power from Tala hydro plant in Bhutan to Delhi and 'Maithon Power Ltd.' with Damodar Valley Corporation for a 1050 MW Mega Power Project at Jharkhand. Tata Power is serving more than 2 million distribution consumers in India and has developed the country's first 4000 MW Ultra Mega Power Project at Mundra (Gujarat) based on super-critical technology. It is also one of the largest renewable energy players in India with a clean energy portfolio of 1749 MW. Its international presence includes strategic investments in Indonesia through a 30% stake in the leading coal company PT Kaltim Prima Coal (KPC), 26% stake in mines at PT Baramulti Suksessarana Tbk ("BSSR"); in Singapore through Trust Energy Resources to securitize coal supply and the shipping of coal for its thermal power generation operations; in South Africa through a joint venture called 'Cennergi' to develop projects in sub-Sahara Africa; in Zambia through 50:50 joint venture with ZESCO for 120 MW Hydro which has become operational in 2016; in Georgia through AGL which is a joint venture with Clean Energy, Norway & IFC for development of 185 MW hydro project which is scheduled to be commissioned in 2016; in Australia through investments in enhanced geothermal and clean coal technologies and in Bhutan through a hydro project in partnership with The Royal Government of Bhutan. With its track record of technology leadership, project execution excellence, world class safety processes, customer care and driving green initiatives, Tata Power is poised for a multi-fold growth and committed to 'lighting up lives' for generations to come".
