Dear Sirs,

Tata Power honored for active participation in "Electrical Safety Week"

Tata Power has always considered safety as its core priority and has promoted safety measures in and around its areas of operation. In recognition of this commitment, Tata Power has been awarded a certificate of appreciation along with a memento for active participation in Electrical Safety Week in Mumbai.

Four divisions from Tata Power - Hydro, Transmission, Transmission Projects and Distribution were awarded certificates for their commendable safety measures and zero incidents in the last one year. The Electrical Safety Week, organized by the Government of Maharashtra, incorporated several events such as rallies, street plays, demonstrations and distribution of promotional material.

The inauguration session of the week, presided over by the Energy Minister, was attended by more than 40 employees from Tata Power. Nearly 65 employees participated in the Suraksha Rally, from Shivaji Park to Tilak Nagar and demonstrated several safety posters, hand bills and equipment for awareness of the general public. All the employees participated with great enthusiasm and were awarded certificates by the Electrical inspector, Mumbai.

The Press Release to be issued by the Company is attached for your ready reference.

Yours faithfully,
For The Tata Power Company Limited

Tata Power honored for active participation in "Electrical Safety Week"

Mumbai, February 23rd, 2016: Tata Power, India's largest integrated power company, has always considered safety as its core priority and has promoted safety measures, in and around its areas of operation. In recognition of this commitment, Tata Power has been awarded a certificate of appreciation along with a memento for active participation in Electrical Safety Week in Mumbai.

Four divisions from Tata Power, Hydro, Transmission, Transmission Projects and Distribution were awarded certificates for their commendable safety measures and zero incidents in the last one year. The Electrical Safety Week, organized by the Govt. of Maharashtra, incorporated several events such as rallies, street plays, demonstrations and distribution of promotional material.

The inauguration session of the week, presided over by the Energy Minister, was attended by more than 40 employees from Tata Power. Nearly 65 employees participated in the Suraksha Rally, from Shivaji Park to Tilak Nagar and demonstrated several safety posters, hand bills and equipment for awareness of the general public. All the employees participated with great enthusiasm and were awarded certificates by the Electrical inspector, Mumbai

Speaking on the occasion, Mr. Ashok Sethi, COO & Executive Director, said, *"We are delighted that our efforts to promote safety and ensure safe working conditions around our project areas, have been appreciated. Safety has always been a core value at Tata Power and we will continue organizing such initiatives in the future, for the betterment and well- being of surrounding communities."*

The Chief Electrical Inspector presented the certificate of appreciation to Vijay Chourey, Rajendra Saraf and Suresh Sanvatsarkar, who received the honor on behalf of Tata power. A TV program sponsored by Tata Power was also part of the Electrical Safety week, wherein a discussion on electrical safety was held with Electrical Inspectors and witnessed the active participation of Mr. P. L Manjrekar from Tata Power. A street play on safety was also organized and the team was sent to various districts and villages across Maharashtra.

About Tata Power:

Tata Power is India's largest integrated power company with a growing international presence. The Company together with its subsidiaries and jointly controlled entities has an installed gross generation capacity of [9100)] MW and a presence in all the segments of the power sector viz. Fuel Security and Logistics, Generation (thermal, hydro, solar and wind), Transmission, Distribution and Trading. It has successful public-private partnerships in Generation, Transmission and Distribution in India namely "Tata Power Delhi Distribution Limited" with Delhi Vidyut Board for distribution in North Delhi, 'Powerlinks Transmission Ltd.' with Power Grid Corporation of India Ltd. for evacuation of Power from Tala hydro plant in Bhutan to Delhi and 'Maithon Power Ltd.' with Damodar Valley Corporation for a 1050 MW Mega Power Project at Jharkhand. Tata Power has developed the country's first 4000 MW Ultra Mega Power Project at Mundra (Gujarat) based on super-critical technology. It is also one of the largest renewable energy players in India. Its international presence includes strategic investments in Indonesia through a 30% stake in the leading coal company PT Kaltim Prima Coal (KPC), 26% stake in mines at PT Baramulti Suksessarana Tbk ("BSSR") and a geothermal project; in Singapore through Trust Energy Resources to securitise coal supply and the shipping of coal for its thermal power generation operations; in South Africa through a joint venture called 'Cennergi' to develop projects in South Africa, Botswana and Namibia; in Australia through investments in enhanced geothermal and clean coal technologies and in Bhutan through a hydro project in partnership with The Royal Government of Bhutan. With its track record of technology leadership, project execution excellence, world class safety processes, customer care and driving green initiatives, Tata Power is poised for a multi-fold growth and committed to 'lighting up lives' for generations to come.
