Dear Sirs,

**Tata Power's consumer base crosses 2 million mark across the Country**

The Company has crossed the 2 million consumer base milestone across the country. In FY 16, Tata Power's total consumer base in Mumbai increased to over 6.64 lakh and its consumer base in Delhi increased to over 15.15 lakh consumers respectively. For more than a decade now, Tata Power has been offering affordable power tariff across most consumer categories and the remarkable increase in the company's customer base is evidence of the same.

The increase in the Mumbai consumer base was aided by the addition of 18,511 direct consumers to the Company's network and 42,157 changeover consumers in FY 16, coming to a total of 6,64,407 consumers. In FY 16, Tata Power Delhi Distribution Limited registered a consumer base of 15.15 lakh spanning across an area of 510 sq. km. in Northern and North Western parts of Delhi.

The Press Release to be issued by the Company is attached for your ready reference.

Yours faithfully,
**For The Tata Power Company Limited**

# Tata Power's consumer base crosses 2 million mark across the Country

**National, 25th August, 2016:** Tata Power, India's largest integrated power company, has crossed the 2 million consumer base milestone across the Country. In FY 16, Tata Power's total consumer base in Mumbai increased to over 6.64 lakhs and its consumer base in Delhi increased to over 15.15 lakh consumers respectively. For more than a decade now, Tata Power has been offering affordable power tariff across most consumer categories and the remarkable increase in the company's customer base is evidence of the same.

The increase in the Mumbai consumer base was aided by the addition of 18,511 direct consumers to the Company's network and 42,157 changeover consumers in FY 16 coming to a total of 6,64,407 consumers. In FY 16 Tata Power Delhi Distribution Limited registered a consumer base of 15.15 lakh spanning across an area of 510 sq. km. in Northern and North Western parts of Delhi.

Speaking on this accomplishment, **Mr. Anil Sardana, MD and CEO, Tata Power**, stated, *"The Tata Power family is humbled by the trust placed in us by our consumers. Our growing consumer base speaks of the relationship we share with our customers. We constantly strive to reach new heights through constant innovation and are committed to ensuring that our customers have a great experience. We are extremely proud and happy to have achieved this milestone and stay committed to delivering superior services at competitive prices."*

Tata Power remains committed to offer its consumers reliable and uninterrupted power supply at competitive prices in the years to come. The company is committed to providing reliable and affordable power to consumers across categories. Tata Power is making investments in developing its network and increase generation capacity with the objective of providing our customers with the best experience.

**About Tata Power:**

Tata Power is India's largest integrated power company with a growing international presence. The Company together with its subsidiaries and jointly controlled entities has an installed gross generation capacity of 9432 MW and a presence in all the segments of the power sector viz. Fuel Security and Logistics, Generation (thermal, hydro, solar and wind), Transmission, Distribution and Trading. It has successful public-private partnerships in Generation, Transmission and Distribution in India namely "Tata Power Delhi Distribution Limited" with Delhi Vidyut Board for distribution in North Delhi, 'Powerlinks Transmission Ltd.' with Power Grid Corporation of India Ltd. for evacuation of Power from Tala hydro plant in Bhutan to Delhi and 'Maithon Power Ltd.' with Damodar Valley Corporation for a 1050 MW Mega Power Project at Jharkhand. Tata Power is serving more than 2.6 million distribution consumers in India and has developed the country's first 4000 MW Ultra Mega Power Project at Mundra (Gujarat) based on super-critical technology. It is also one of the largest renewable energy players in India with a clean energy portfolio of 1996 MW. Its international presence includes strategic

investments in Indonesia through a 30% stake in the leading coal company PT Kaltim Prima Coal (KPC), 26% stake in mines at PT Baramulti Suksessarana Tbk ("BSSR"); in Singapore through Trust Energy Resources to securitize coal supply and the shipping of coal for its thermal power generation operations; in South Africa through a joint venture called 'Cennergi' to develop projects in sub-Sahara Africa; in Zambia through 50:50 joint venture with ZESCO for 120 MW Hydro which has become operational in 2016; in Georgia through AGL which is a joint venture with Clean Energy, Norway & IFC for development of 185 MW hydro project which is scheduled to be commissioned in 2016; in Australia through investments in enhanced geothermal and clean coal technologies and in Bhutan through a hydro project in partnership with The Royal Government of Bhutan. With its track record of technology leadership, project execution excellence, world class safety processes, customer care and driving green initiatives, Tata Power is poised for a multi-fold growth and committed to 'lighting up lives' for generations to come".
