L&T Construction Wins Orders Valued ₹ 3551 Crores

Mumbai, Oct 26, 2017: The construction arm of L&T has won orders worth **₹ 3551 crores** across various business segments

Transportation Infrastructure & Water Effluent Treatment businesses have jointly bagged an order worth **₹ 1123 crores** from a prestigious government client for design and construction of smart trunk infrastructure with roads, storm water drains, water supply network, sewerage network, utility ducts for power & ICT, reuse water line, pedestrian tracks, cycle track, avenue plantation, street furniture and associated works.

Transportation Infrastructure business:

The business has won an engineering, procurement & construction order worth **₹ 777 crores** from the Public Works Department, Delhi for the construction of Integrated Transit Corridor Development plan in and around Pragati Maidan.

The project scope includes construction of cut and cover tunnels, underpass, FOB, loops, ramps, road work landscaping/horticulture works and other associated works.

Water & Effluent Treatment Business:

The business has received engineering, procurement & construction orders worth **₹ 572 crores.**

An order has been secured from the Public Health Engineering Department of a major state government for providing Rural Water Supply and Fluorosis mitigation. The scope includes supply, laying and commissioning of distribution network, construction of clear water reservoirs and elevated storage reservoirs including house service connections.

Another order has been secured from the Municipal Corporation of a major city in central India for providing continuous (24x7) pressurised water supply scheme in Indore district. The scope includes supply, laying and commissioning of distribution network, construction of overhead tanks and replacement of an old distribution network including house service connections and monitoring systems.

Building & Factories Business:

The Business has secured an order worth **₹ 866 crores** from a prestigious government client for the design and construction of 22 towers (S+12 floors). The scope of works include construction of structure, architectural finishes and MEP works on a fast track mode.

Smart World & Communication Business:

The Business has bagged an order worth **₹ 213 crores** from Metro Link Express for Gandhinagar and Ahmedabad (MEGA) Company Limited for design, manufacture, supply, installation, testing and commissioning of Telecommunication Systems.

The scope includes the following systems - Public Address System, Passenger Information Display, Master Clock, Centralized Data Recording, Tetra Radio Communication, Fibre Optic Transmission Network, CCTV surveillance and Access Control & Intrusion Detection Systems.
