L&T Construction wins Orders Valued ₹ 2552 Crores

Mumbai, June 27, 2017: The construction arm of L&T has won orders worth **₹ 2552 crores** across various business segments.

The **Transportation Infrastructure & Water Effluent Treatment businesses** have jointly bagged an EPC order worth ₹ 1,223 Cr. from Aurangabad Industrial Township Limited (AITL). The scope of work includes the construction of roads, drains, bridges, potable water network, sewage and common effluent treatment plants, sewerage and recycled water network, firefighting system and power distribution system including GIS substation, in the Bidkin industrial area of Aurangabad, Maharashtra.

This is the second mega order in this category received by L&T Construction after the prestigious Dholera SIR Infrastructure project, Gujarat.

The **Water & Effluent Treatment Business** has also won an EPC order worth ₹ 1329 Cr from Mumbai Metropolitan Region Development Authority for implementation of Surya Regional Bulk Water Supply Scheme for Western Sub Region of Mumbai.

The scope includes the construction of intake structures, a 419 MLD water treatment plant, a clear water pump-house along with associated electro mechanical & instrumentation works, pipeline network, tunnels and storage structures at Mira Bhayandar & Vasai Virar.

Background:
Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with **USD 17 billion** in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.

Sensitivity: L&T Construction Internal Use
