Zen Technologies receives export order worth INR 30 Crore from Government of Egypt

#DesignedDeveloped&MadeinIndia

- Largest export order received by the company till date with an expected execution timeline by Q3, 2016-17
- Order to incorporate training equipment including smart target systems

New Delhi, X July 2016: Zen Technologies Limited (www.zentechnologies.com), a pioneer in simulation technology based training solutions, today announced its biggest export order till date, of about **INR 30 crores**. The **Ministry of Defence (MoD), Government of Egypt** has chosen Zen Technologies to provide range of training equipment including Smart Target Systems (<http://www.zentechnologies.com/lomah-smart-electronic-target-system.php>). Zen Technologies emerged as the front runner against tough international competition from global companies.

Commenting on the development, **Mr.Ashok Atluri (@ashokatluri), CMD, Zen Technologies** said "Zen Technologies has over the years emerged as a strong player in the field of defence training simulation in India and it has been our endeavour to expand our presence abroad- specifically the Middle East & African region. The order from the Egyptian Government (MoD) is a reflection of our commitment towards providing the best training tools to security forces to tackle and neutralize both external and internal threats. We look forward to a fruitful and long term association with the Egyptian Government. Additionally various MoDs globally have been showing intense interest in our training solutions esp Combat Training Centre and look forward to more breakthroughs in the coming months."

Zen Technologies

Zen Technologies [NSE: ZENTEC] develops state-of-the-art training equipment and simulators for weapons and allied defense equipment. Zen, incorporated in 1993, with headquarters in Hyderabad, has over the years designed, developed and manufactured various types of training equipment and simulators. The products developed in-house meet high qualitative standards and are cost-effective. The company has supplied over 450 simulators to over 100 customers across all the three armed forces, State and Central Armed Police Forces of India and other countries. With the aim to develop world-class training equipment and simulators, the company attaches special importance to R&D with its facility being recognized by the Department of Scientific and Industrial Research, Ministry of Science and Technology, Government of India. Zen has an ISO 9001:2008 (QMS), ISO 27001:2005 (ISMS) Certification and is a CMMI Level 5 company. For any further information, please visit www.zentechnologies.com
