Dear Sir,

Sub: **Press Release - Alstom T&D India Limited announces Second Quarter and Half Year 2015/16 results**

Please find enclosed herewith Press Release titled – “Alstom T&D India Limited announces Second Quarter and Half Year 2015/16 results”.

Thanking you,

Yours faithfully,
For ALSTOM T&D India Limited

Manoj Prasad Singh
Company Secretary

Encl: As above

29 October 2015

Alstom T&D India Limited announces Second Quarter and Half Year 2015/16 results

For the second quarter (1st July - 30 September 2015)

Sales : 9,030 MINR (Y-o-Y: - 1%)
Profit after Tax : 463 MINR (Y-o-Y: + 30%)

For half year ended 30th September, 2015

Sales : 16,983 MINR (Y-o-Y: + 8%)
Profit after Tax : 659 MINR (Y-o-Y: + 3%)
Order Backlog : 78,421 MINR (Y-o-Y: -1%)

During the second quarter, Alstom T&D India won important contracts that include turnkey contract from a major IPP for providing 400 kV AIS and extension of 400 kV GIS substation, contracts from Power Grid for 765kV extension substations at Jabalpur and Jhatikara, 400/220kV extension substations at Kaithal and Jalandhar and 765kV power transformers for Raipur to name a few.

Delivery of India's first 800 kV High Voltage Direct Current (HVDC) power transformer for the prestigious Champa-Kurukshetra Ultra High Voltage Direct Current (UHVDC) Phase 1 link was a landmark achievement.

During the quarter, Alstom T&D India successfully commissioned 110 kV AIS substation for Indian Cane Power Limited, 132 kV Bordubi substation for Assam Electricity Generation Company and 765kV/ 400 kV Inter Connecting Transformer at 765 kV Bareilly substation for Power Grid.

Commenting on the results, Rathin Basu, Managing Director, Alstom T&D India said, *“The market continues to be difficult and new investments are yet to be in place. The Company, however, continues to demonstrate good execution of projects bringing in cost control and optimal efficiency. The delivery of India's first 800kV HVDC transformer from Vadodara again testifies the commendable teamwork and performance showcased by our team.”*

About Alstom

Alstom is a global leader in the world of power generation, power transmission and rail infrastructure and sets the benchmark for innovative and environmentally friendly technologies. Alstom builds the fastest train and the highest capacity automated metro in the world, provides turnkey integrated power plant solutions and associated services for a wide variety of energy sources, including hydro, nuclear, gas, coal and wind, and it offers a wide range of solutions for power transmission, with a focus on smart grids.

Alstom T&D India (globally known as Alstom Grid), is a market leader in the Indian power transmission sector. It has over 100 years of expertise in building the transmission infrastructure for the country. Alstom has a strong portfolio of products, solutions and services, comprising the entire range of transmission equipment up to Extra and Ultra High Voltages (765 kV and beyond) including air-insulated switchgear (AIS) and locally manufactured power transformers and gas-insulated switchgear (GIS). It also provides power electronics solutions (HVDC, FACTS) to create super highways and offers highly advanced power management Smart Grid solutions for transmission and distribution including renewable energies integration. With around 3,200 employees and six world class manufacturing sites, Alstom T&D India is future ready to support the rapidly evolving transmission sector in India.
