Wipro Positioned as a Leader in IDC MarketScape: Worldwide Datacenter Transformation Consulting and Implementation Services 2016 Vendor Assessment

East Brunswick, New Jersey, USA and Bangalore, India – March 31, 2017: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, today announced that it has been positioned as a 'Leader' in IDC MarketScape: Worldwide Datacenter Transformation Consulting and Implementation Services 2016 Vendor Assessment (doc # US42020516, December 2016).

This study presents a vendor assessment of the 2016 datacenter transformation (DCT) consulting and implementation (C&I) services market through the IDC MarketScape model. The report included analysis of the 11 largest DCT systems integrators (SIs), with broad portfolios spanning IDC's research coverage and with global scale.

The IDC report states, "Buyers rate Wipro highly for leveraging resources globally, managing its staff turnover during a project's lifetime, and achieving clients' desired business outcomes. IDC rates Wipro highly in terms of its customer service strategy and for the range of its services portfolio."

Kiran Desai, Senior Vice President and Global Head, Global Infrastructure Services, Wipro Limited said, "The recognition by the IDC MarketScape is a reiteration of our commitment to deliver world-class datacenter and cloud services through the Wipro BoundaryLess Datacenter solution. We are well poised to enable the digital transformation journey of our clients by leveraging a combination of our technology prowess, domain expertise and digital capabilities."

An excerpt of the report is available [here](#).

About IDC MarketScape

About IDC MarketScape: IDC MarketScape vendor analysis model is designed to provide an overview of the competitive fitness of ICT (information and communications technology) suppliers in a given market. The research methodology utilizes a rigorous scoring methodology based on both qualitative and quantitative criteria that results in a single

graphical illustration of each vendor's position within a given market. IDC MarketScape provides a clear framework in which the product and service offerings, capabilities and strategies, and current and future market success factors of IT and telecommunications vendors can be meaningfully compared. The framework also provides technology buyers with a 360 degree assessment of the strengths and weaknesses of current and prospective vendors.

Forward-looking and Cautionary Statements

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property, and general economic conditions affecting our business and industry. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
