Media Release

Company Migrated to Main Board - NSE

Listing ceremony held on 7th May 2018 at NSE Auditorium BKC

7th May 2018, New Delhi: Hi-Tech Pipes Limited (NSE: HITECH), Incorporated in 1985- Among leading steel processing companies in India providing world class innovative products for nearly 3 decades with presence in steel pipes, hollow section tubes, cold rolled coils & strips, road crash barriers, solar mounting structures and a variety of other galvanised products, has announced that the Company has migrated to NSE Main Board. This is the third Company in the history of NSE SME Emerge exchange to migrate to NSE Mainboard. The Listing Ceremony has been held on 7th May 2018 at NSE Auditorium Bandra Kurla Complex at 9:15 AM.

The total number of shares which has been migrated on NSE Main Board as on 7th May 2018 are 1,05,01,100.

Commenting on the recent developments, Mr. Ajay Kumar Bansal, Chairman and Managing Director, Hi-Tech Pipes Ltd. said:

"We are extremely happy to share with you that your Company has migrated to the NSE Main Board. This is the third Company in the history of NSE Emerge to migrate to NSE Mainboard. This opportunity will help us to reach out to a wider investor community. It will also create better visibility for the Company. This migration shows a testimony to our performance and client confidence.

I would like to thank the NSE for giving us this platform and opportunity. I would also like to thank all the stakeholders and most importantly the Hi-Tech team for their dedication and hard work in helping us in achieving this."
