Wipro Recognised with Citrix Partner of the Year - India Award

Bangalore, India – September 12, 2017: Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting and business process services company, announced that it has won the Citrix Partner of the Year – India, award. The award is in recognition of Wipro's efforts in delivering best-in-class work-place digitalization solutions, in line with customers' evolving needs during the calendar year 2016.

The award recognizes the top performing Citrix partner in India, based on their contribution to revenue, year-on-year growth, strategic wins, sales engagement and technical certifications.

Wipro's global experience in delivering end-to-end IT solutions complements the Citrix technology portfolio. Wipro and Citrix are working together to deliver an end-to-end standardized and integrated portfolio of work-place digitalization services such as Workspace-as-a-Service, application delivery, virtualization, mobility, network delivery and file sharing solutions to enterprises.

Kiran Desai, Senior Vice President, Global Infrastructure Services, Wipro Limited said, "This recognition demonstrates Wipro's leadership position in the work-place digitalization space, driven by desktop virtualization and application virtualization technologies, offered in an 'as-a-service' model in India and the greater APAC region. Working with Citrix is a key element of our value proposition in this space. We look forward to continue boosting the productivity of enterprises by modernizing their work-place technology infrastructure."

"We congratulate Wipro on winning the Citrix Partner of the Year – India award. The company has demonstrated an outstanding level of innovation in delivering proven Citrix-based solutions to address their customers' critical business challenges. This achievement is a testament to Wipro's consistent excellence in delivering solutions that drive real business value and results for their customers," said **Eklavya Bhawe, Head - Partner Strategy & Sales for the India and SAARC region, Citrix.**

Wipro offers comprehensive work space solutions under its Wipro LiVE Workspace™ and Wipro VirtuaDesk™ offerings. This includes integration of superior software and hardware technology with various Information Technology Infrastructure Library (ITIL) tools to deliver high performance, cost efficient, highly secure and cloud-ready work space solutions.

About Wipro Limited

Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO) is a leading global information technology, consulting and business process services company. We harness the power of cognitive computing, hyper-automation, robotics, cloud, analytics and emerging technologies to help our clients adapt to the digital world and make them successful. Forward-looking and Cautionary Statements

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property, and general economic conditions affecting our business and industry. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
