Zinnov Positions Wipro in the 'Leadership Zone' for Robotic Automation Services 2017

East Brunswick, New Jersey, USA and Bangalore, India – September 8, 2017 : Wipro Limited (NYSE: WIT, BSE: 507685, NSE: WIPRO), a leading global information technology, consulting, and business process services company, today announced that it has been ranked as a 'Leader' in Robotic Automation Services by Zinnov, a leading digital transformation & globalization focused management consulting company. The Zinnov Zones for Robotic Automation Services 2017 report positions Wipro in the Leadership Zone overall, as well as in each of the evaluated industries – BFS, Insurance, Telecom and Retail.

The report enables large enterprises in making strategic decisions towards Robotic Automation (RA) investments. It assesses over 20 leading global service providers on two key areas of RA Prowess and RA Scalability, based on parameters such as the scale of business, clientele, talent, value add, innovation ecosystem and future outlook, among others.

Praveen Bhadada, Partner & Practice Head, Digital Transformation practice at Zinnov said, "Wipro has strong capabilities in robotic automation domain and has built an extensive portfolio of RA tools, addressing workloads such as Risk and Compliance Management, Anomaly Detection, Event Prediction, Provisioning, etc. Additionally, the company's AI platform Wipro HOLMES™ also enables them to address intelligent robotic automation workloads effectively. They have showcased high focus on co-innovation through their Center of Excellence that supports clients right from the discovery of use-case to solutioning and deployment. Their experience of working with over 150 clients as well as their strong base of nearly 550 trained RPA developers and 150+ solution architects empowers them to command their positioning as a leader in the market."

Rohit Adlakha, Vice President and Global Head, Wipro HOLMES and Automation Ecosystem, Wipro Limited said, "Zinnov's recognition of Wipro's Robotic Automation prowess and scalability across industries such as BFS, Insurance, Retail and Telecom is a testimony to the value we bring to our clients, globally. Our Robotic Process Automation capabilities, enhanced by the Wipro HOLMES platform and strengthened through strategic partnerships with leading Robotic Automation providers enable us to deliver significant non-linear efficiency and end-customer experience gains to our clients."

Forward-looking and Cautionary Statements

Certain statements in this release concerning our future growth prospects are forward-looking statements, which involve a number of risks, and uncertainties that could cause actual results to differ materially from those in such forward-looking statements. The risks and uncertainties relating to these statements include, but are not limited to, risks and uncertainties regarding fluctuations in our earnings, revenue and profits, our ability to generate and manage growth, intense competition in IT services, our ability to maintain our cost advantage, wage increases in India, our ability to attract and retain highly skilled professionals, time and cost overruns on fixed-price, fixed-time frame contracts, client concentration, restrictions on immigration, our ability to manage our international operations, reduced demand for technology in our key focus areas, disruptions in telecommunication networks, our ability to successfully complete and integrate potential acquisitions, liability for damages on our service contracts, the success of the companies in which we make strategic investments, withdrawal of fiscal governmental incentives, political instability, war, legal restrictions on raising capital or acquiring companies outside India, unauthorized use of our intellectual property, and general economic conditions affecting our business and industry. Additional risks that could affect our future operating results are more fully described in our filings with the United States Securities and Exchange Commission. These filings are available at www.sec.gov. We may, from time to time, make additional written and oral forward-looking statements, including statements contained in the company's filings with the Securities and Exchange Commission and our reports to shareholders. We do not undertake to update any forward-looking statement that may be made from time to time by us or on our behalf.
