L&T Construction Bags Orders Valued ₹ 2125 Crores

Wins Include a Major Road Construction Order

Mumbai, April 5, 2016: The Construction arm of Larsen & Toubro Limited has won orders worth **₹ 2125 crores** across its various Businesses.

Transportation Infrastructure Business

The business has bagged a new engineering, procurement and construction order worth **₹ 821 Crs** from the National Highways Authority of India (NHAI) for four-laning of the Addahole (Gundya) to Bantwal cross of NH-75 (Old NH no. 48) in the state of Karnataka.

The project is to be completed in 30 months and involves cumulative construction of 63 KMs of four lane dual carriage way with concrete pavement in addition to the construction of 14.5 km of service roads, two flyovers, two major bridges, 14 minor bridges, nine underpasses and one toll plaza.

The order is an index of L&T's expansion in the road infrastructure space with the Company having bagged prestigious road and bridge projects both in the international and domestic markets thanks to its well-established capabilities in design, engineering, project execution and construction, quality and safety standards and on-time delivery.

Smart World & Communication Business

The Business has bagged orders worth **₹ 761 Crs** which involve design and implementation of safe cities using integrated security systems and intelligent & integrated traffic management systems.

Other Businesses

Additional orders worth **₹ 543 Crs** have also been received from various ongoing jobs of Power Transmission & Distribution and Buildings & Factories Businesses.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 15 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.
