PRESS RELEASE

SRIKALAHASTHI PIPES LIMITED BAGS ORDERS OF RS.1053 CRORES

DURING DECEMBER, 2015

Srialahasthi Pipes Limited (SPL), a water infrastructure company and a leading Ductile Iron Pipe manufacturer in the Country has bagged orders of Rs.1053 crores during the month of December, 2015 for supply of Ductile Iron Pipes. Mr G S Rathi, Whole Time Director, informed that out of Rs.1053 crores, **Rs.891 crores** orders are for Telangana Drinking Water Supply Project (popularly known as "**Telangana Water Grid**"). These orders are mainly from major infrastructure companies which include L&T, NCC, Megha Engineering and Infrastructures, Indian Hume Pipes, KLSR Infratech amongst others.

Mr Rathi, Director of the Company, while briefing about Telangana Water Grid, informed that the pipes to be supplied by the Company will provide drinking water to 25,000 rural habitations and 67,000 urban localities of entire 10 districts of Telangana State, utilizing water of both Godavari and Krishna rivers. The pipelines would run about 1.26 lakhs kms.

He further informed that total estimated cost of Telangana Water Grid is Rs.37,000 crores and it is first of its kind in the country in terms of area it covers and the fund it needs. The Telangana Govt. has released Rs.6,000 crores in the current year budget. Further a loan of Rs.15,000 crores from HUDCO, Rs.2,000 crores from NABARD and Rs.3,000 crores from various banks are tied up.

The supplies for this project will start from the end of December, 2015 and will be completed by end of March, 2017. Considering the increased capacity of 285,000 tonnes per annum during 2016-17, the company is confident of executing orders in time.

Such huge orders from reputed customers for this prestigious project of Telangana Government are a testimony of the quality of Ductile Irons Pipes manufactured by Srialahasthi Pipes Limited (SPL).
