Encl: As above

NIIT Technologies establishes a Global Digital Innovation Center in Hyderabad

Center to focus on Digital Integration

Hyderabad | New Delhi, INDIA, March 31, 2016: NIIT Technologies Ltd., a leading global IT solutions organization has launched its Digital Innovation Center (DIC). The center is powered by Incessant Technologies, a leader in Digital Integration and agile delivery of Enterprise BPM solutions, where NIIT Technologies had recently taken a majority stake. The DIC will provide a global platform for research and technological development to tap new market opportunities for Digital Integration.

The DIC is spread across 55,000 square feet in Q city, Gachibowli, the most vibrant IT corridor in Hyderabad. The center will serve as a hub for innovative thinking with state of the art IT infrastructure, IOT labs, digitally enabled training rooms, and world class video conferencing facilities to operate seamlessly in today's connected world.

Shri K.T Rama Rao, IT Minister, Telangana stated, "Hyderabad provides a strong ecosystem to the companies to establish their facilities and nurture talent. It is very heartening that the city has become a destination for many global companies. I wish NIIT Technologies and Incessant very best for their Digital journey"

On this occasion Mr. Sudhir Chaturvedi, COO, NIIT Technologies, stated, "NIIT Technologies is continuously enhancing its capabilities in Digital Services through investments in new emerging technologies, partnerships and appropriate skills to deliver exceptional customer value."

Vijay Madurri, CEO, Incessant Technologies said, "DIC showcases our commitment to create a true digital ecosystem for our customers and partners."

In addition to the various digital zones, the DIC also has exclusive break out zones which will help cultivate a unique work environment for 600 employees to explore, ideate and develop next-gen digital solutions to help global customers in their digital transformation journey.
