Tata Consultancy Services Wins Veritas AMS Global Strategic Partner of the Year Award

LAS VEGAS | MUMBAI, October 24, 2017: Tata Consultancy Services (BSE: 532540, NSE: TCS), a leading global IT services, consulting and business solutions organization, today announced that it has been awarded the AMS Global Strategic Partner of the Year by Veritas, at the annual Veritas Partner Link conference last month in Las Vegas, NV.

TCS was recognized with the AMS Global Strategic Partner of the Year award for excellent collaboration with Veritas, and for becoming one of the fastest growing global strategic partners for Veritas. TCS delivered new business for the year with TCS consulting services offerings for the Veritas 360 Data Management portfolio.

Through this award winning partnership, TCS and Veritas help to address challenges organizations face as they migrate on-premises data and workloads to the cloud in a simple and cost-effective manner, and protect workloads in the cloud and on-premises.

"Veritas is delighted to recognize Tata Consultancy Services for this award," said Rick Fairweather, vice president of the Veritas Americas Partner Organization. "We are thrilled to honor TCS for their leadership in helping organizations discover the truth in information through the Veritas 360 data management platform."

TCS has strong consulting expertise in Veritas 360 Data Management and collaborates with Veritas to develop offerings that provide Backup-As-A-Service, general data protection regulation (GDPR) compliance and disaster recovery for multi-vendor hybrid cloud environments.

"Recognition by Veritas as the AMS Global Strategic Partner of the Year is a testament to TCS' capabilities to provide our mutual customers with highly-efficient data management and information governance, while ensuring business continuity with reduced risk and complexity," said Raman Venkatraman, Global Head, Alliance & Technology Unit, TCS.
