L&T Construction Wins Orders Valued ₹ 1960 Crores

Mumbai, December 8, 2015: The Construction arm of Larsen & Toubro Limited has won orders worth **₹ 1960 crores** across its various businesses.

Water & Effluent Treatment Business

The Business has secured orders worth **₹ 1053 crores** from the Water Resource Department, Govt. of Odisha, for the engineering, procurement and construction of 34 lift irrigation schemes in various districts of Odisha, irrigating 48600 Ha of cultivable lands.

The major scope involves construction of 34 intake wells and delivery chambers, supply and laying of 400 km of ductile iron pipelines with diameters ranging from 300 mm to 1200 mm, 400 km of HDPE (High Density Polyethylene) pipelines with diameters ranging from 200 to 280 mm and 34 km of mild steel pipelines with diameters ranging from 700 to 1200 mm.

The scope also involves supply and installation of 96 vertical turbine pumps of capacities ranging from 80 to 470 kW and other associated works. The project is scheduled to be completed in 30 months.

Heavy Civil Infrastructure Business

The Business has secured orders worth **₹ 889 crores.**

An order has been received from Chennai Metro Rail Corporation Limited for the construction of Chennai Metro line Package 03 Underground - Balance works.

The scope involves engineering, procurement and construction of 4 stations at AG-DMS, Teynampet, Nandanam, Saidapet and Saidapet ramp portion with associated tunnel works. Other works include mechanical, electrical, plumbing and architectural works at these stations. The project is scheduled to be completed in 20 months.

L&T Geostructure-Bauer Joint Venture has secured an order worth **₹ 422 crores** for the construction of a cut-off wall in the Indira Sagar dam project at Polavaram, Andhra Pradesh, a first-of-its-kind project in India. L&T Geostructure's share in the JV is 50%.

The scope includes the construction of a 1500 metre long and 1.5 metre wide plastic concrete diaphragm cut-off wall, with depths varying from 40 to 120 metres.

The Business also secured orders in Tuticorin and Chennai for piling and diaphragm wall works.

Additional orders have also been received from other Businesses.

Background:

Larsen & Toubro is an Indian multinational engaged in technology, engineering, construction, manufacturing and financial services with over USD 15 billion in revenue. It operates in over 30 countries worldwide. A strong, customer-focused approach and the constant quest for top-class quality have enabled L&T to attain and sustain leadership in its major lines of business for over seven decades.
