NIIT Nguru MathLab@Class - a unique technology enabled learning solution for schools unveiled by NIIT mind champion Viswanathan Anand

- A revolutionary concept aimed at making learning engaging and meaningful

Madurai / New Delhi December 23, 2015: Five-time World Champion and NIIT MindChampion Viswanathan Anand today unveiled **NIIT Nguru MathLab@Class** a unique technology enabled learning solution for schools at a function organized at Mahatma Group of Schools, Madurai. **NIIT Nguru MathLab@Class** has been designed to take teaching and learning of Mathematics to the next level. The holistic solution brings to schools all the key elements required by teachers and students for learning Math. The aim of the solution is to create a lab-like environment in the classroom for every Math Session, without having the students to leave their classes and hence the name MathLab@Class.

MathLab@Class is an extension of NIIT Nguru MathLab Plus that offers multiple teaching and learning aids comprising technology applications, videos, measuring instruments etc. to add element of fun to the difficult subject of mathematics. The objective of NIIT Nguru MathLab@Class is to provide hands-on learning experience to the students within the classroom itself. The various teaching aids will help the teachers to explain the concepts to the students in a better manner.

Mr. Aravind Sathasivam - Regional Business Leader, MindChampion Learning Systems Limited (MLSL), School learning subsidiary of NIIT Ltd, said, ***"NIIT is committed to make education more impactful and interactive by ensuring that the best tools and resources are made available to thousands of schools across India. We are confident that NIIT Nguru MathLab@Class will make teaching and learning Math a fun-filled experience for both teachers and students at Mahatma Group of Schools, Madurai."***

On the occasion of the launch of MathLab@Class, NIIT MindChampion Viswanathan Anand spoke on how the collaborative nature of MathLab Plus allows seamless integration of creativity, connectivity and problem solving for contextual learning. With school education evolving day by day, teaching is no longer confined just to classrooms and blackboards. NIIT Nguru MathLab@Class will help learners visualize abstract concepts, and add a visual element to learning, which enhances retention.

Addressing the students, **NIIT MindChampion Viswanathan Anand** said, ***"Getting trained through the latest technology is crucial to success. I believe that the MathLab@Class solution offered by NIIT will help schools to enhance the learning ecosystem in the classrooms. I congratulate NIIT for introducing such an innovative product."***

Mrs. Premlatha Panneerselvam Founder, secretary & correspondent of Mahatma Group of School, said, ***"Mahatma Group of School is committed to providing the best infrastructure to foster academic excellence. In this regard, we are pleased to introduce NIIT Nguru MathLab@Class in our school. NIIT's MathLab Plus provides an opportunity to students to understand, internalize, discover and verify the basic mathematical and geometrical concepts through concrete objects and situations, thus building interest and confidence for mathematics. MathLab@Class goes beyond the teaching- learning environment and will enhance student interest and confidence in the subject."***

Press Release

MathLab@Class is a complete solution comprising a fully loaded, exciting, mobile trolley which contains all the physical and digital learning aid (with all the hardware/software involved), that can be taken across classrooms. The present version of the product would cater to the teaching curriculum from standard 2 to standard 8.

NIIT Nguru is a holistic solution for schools that utilizes state- of- the- art appropriate technology as the backbone and encompasses all the possible components required to service the present and future learning needs of a school. NIIT Nguru suite consists of Math Lab, IT Wizard Next, Learning Lab for students and Quick School, an 'Education Resource Planning' solution for the school management and 'Interactive Classrooms' for teachers.
