TCS Recognized as a Leader in BI Platform Implementation Services by Independent Research Firm

Report Cites Tata Consultancy Services' Emphasis on Rigor in Engineering, Impressive Agile BI Methodologies and World-Class BI Breadth

SANTA CLARA | MUMBAI, JUNE 30, 2017: Tata Consultancy Services (TCS), (BSE: 532540, NSE: TCS) a leading global IT services, consulting and business solutions organization, today announced that it has been positioned as a leader among Business Intelligence (BI) Platform Implementation Service Providers by Forrester Research, Inc., a leading independent research company, in their report, "*The Forrester Wave™: Business Intelligence Platform Implementation Service Providers, Q2 2017.*"

Forrester selected thirteen of the top global vendors in BI Platform Implementation Services and evaluated them on eighteen different criteria across market presence, strategy and current offerings.

The report highlights TCS' engineering rigor, methodology, and discipline in BI services, and recognizes TCS as a vendor that brings, "one of the most impressive BI methodologies (TCS DATOM) to its BI implementation projects." Forrester also mentions that TCS' clients ranked its BI capabilities highly across the board and specifically called out its top BI platform deployment, data architecture and regional capabilities.

"Business intelligence is the key that every organization needs to unlock the true value of their data. Our BI solutions combine methodologies, innovative intellectual properties, and tools underpinned by Big Data that can transform organizations into intelligent enterprises," said Dinanath Kholkar, Vice President and Global Head of Analytics & Insights, TCS. "It is an honor to be recognized as a Leader in BI platform implementation services by Forrester, and we believe it is a testament to our strength in solving complex business problems with our end to end analytics services capability. We are deeply committed to providing solutions and services focused on realizing business outcomes, and ensuring our clients are future-ready," he added.

TCS offers a wide range expertise around BI Services and has one of the most extensive training and certification requirements for its BI professionals, making them amongst the best in the world.
