Dear Sir,

Further to our letter dated 21st January 2017 intimating the fire incident at our 2x60 MW Captive Power Plant at Choudwar, Odisha, kindly note that Turbine No.1 was synchronised with the grid yesterday (20th February 2017) after damage to peripheral areas was repaired and other necessary maintenance carried out. The Turbine No.2 had already been revived shortly after the incident itself.

This may kindly be taken on record.

Thanking you

Yours faithfully
For INDIAN METALS & FERRO ALLOYS LTD
