Limited Review Report

The Board of Directors

Punj Lloyd Limited

1. We have reviewed the accompanying statement of unaudited consolidated financial results ('the Statement') of Punj Lloyd Limited (the 'Company'), its subsidiaries, associates and joint ventures (collectively referred to as the 'Group') for the quarter ended September 30, 2012, except for the disclosures regarding 'Public Shareholding' and 'Promoter and Promoter Group Shareholding' which have been traced from disclosures made by the management and have not been reviewed by us. This Statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on this Statement based on our review.

2. We conducted our review in accordance with the Standard on Review Engagements (SRE) 2410, Review of Interim Financial Information Performed by the Independent Auditor of the Entity, issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the Statement is free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures, applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

3. *We report that current assets as of September 30, 2012 include dues representing (a) claims aggregating to Rs 24,303 lacs recognized during the earlier years based on management's assessment of cost overrun arising due to design changes, etc., and (b) liquidated damages of Rs 730 lacs deducted by the customer. In view of the uncertainty over the ultimate outcome of the matter, we are unable to comment on ultimate collection and recoverability of the same and its impact, if any, on the financial results for the period ended September 30, 2012. Our review report on the financial results for the quarter ended June 30, 2012, the previous auditor's review report on the financial results for the quarter ended September 30, 2011and audit report on the financial statements for the year ended March 31 2012 were also modified accordingly with respect to the same matter.*

Walker, Chandiok & Co

4. Based on our review conducted as above and upon consideration of reports of other auditors, *except for the effects of the observation as described in para 3*, nothing has come to our attention that causes us to believe that the accompanying Statement prepared in accordance with applicable accounting standards, as notified under the Companies (Accounting Standards) Rules, 2006 (as amended) and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Clause 41 of the Listing Agreement including the manner in which it is to be disclosed, or that it contains any material misstatement.

5. Without qualifying our report, we draw attention to note 5 to the financial results in respect of deductions made/ amount withheld by some customers aggregating to Rs 5,802 lacs which are being carried as trade receivables. These amounts are outstanding due to dispute with the customers and presently the ultimate outcome of these disputes cannot be determined, however since the Company is of the view that these amounts are recoverable, no provision is required against the same.

6. We did not review the interim financial results of certain branches, subsidiaries and joint ventures (including un-incorporated joint ventures), included in this statement whose interim financial results reflect net sales/ income from operations (net of eliminations) of Rs. 134,226 lacs for the quarter ended September 30, 2012 and total assets (net of eliminations) of Rs. 836,271 lacs as at quarter ended September 30, 2012. These financial results have been reviewed by other auditors whose reports have been furnished to us and our report in respect thereof is based solely on the report of the other auditors. Our review report is not qualified in respect of this matter.
