However, during the implementation of the stated object, foreclosure/prepayment charges aggregating to Rs.0.97 crore in respect of facilities availed from Vivriti Capital Limited and Oxyzo Financial Services Private Limited were paid out of the Monitoring Agency Account.
(b) Range of Deviation: Upto 10%

Declaration:
We declare that this report provides an objective view of the utilization of the issue proceeds in relation to the objects of the issue based on the information provided by the Issuer and information obtained from sources believed by it to be accurate and reliable. The MA does not perform an audit and undertakes no independent verification of any information/ certifications/ statements it receives. This Report is not intended to create any legally binding obligations on the MA which accepts no responsibility, whatsoever, for loss or damage from the use of the said information. The views and opinions expressed herein do not constitute the opinion of MA to deal in any security of the Issuer in any manner whatsoever. Nothing mentioned in this report is intended to or should be construed as creating a fiduciary relationship between the MA and any issuer or between the agency and any user of this report. The MA and its affiliates also do not act as an expert as defined under Section 2(38) of the Companies Act, 2013.

The MA or its affiliates may have credit rating or other commercial transactions with the entity to which the report pertains and may receive separate compensation for its ratings and certain credit related analyses. We confirm that there is no conflict of interest in such relationship/interest while monitoring and reporting the utilization of the issue proceeds by the issuer, or while undertaking credit rating or other commercial transactions with the entity.

We have submitted the report herewith in line with the format prescribed by SEBI, capturing our comments, where applicable. There are certain sections of the report under the title "Comments of the Board of Directors", that shall be captured by the Issuer's Management / Audit Committee of the Board of Directors subsequent to the MA submitting their report to the issuer and before dissemination of the report through stock exchanges. These sections have not been reviewed by the MA, and the MA takes no responsibility for such comments of the issuer's Management/Board.

Whether all utilization is as per the disclosures in the Offer Document?	No^	CA certificate*, Management certificate, Bank statements	^ During Q2FY27, the Company has transferred all the utilised funds of Rs. 22.97 crore from its monitoring account to its current account, prior to their deployment towards the stated objects of the issue. While we have reviewed the bank statements, the commingling of funds (mixing proceeds with other cash flows) has limited our ability to directly ascertain the end utilization of the issue proceeds. Accordingly, we rely on CA and management certificate, which states that Rs.9.50 crore was utilised towards the stated objects of working capital requirement and Rs. 13.47 crore towards object of repayment/ prepayment of borrowings. Of Rs.13.47 crore, prepayment charges of Rs.0.16 crore are excluded, which were reversed and credited back to the Monitoring Agency account on August 20, 2026. ^ As per the Offer Document, any prepayment or repayment charges relating to certain borrowings were to be met from the Company's	The Board notes that the Company routed Rs.22.97 crore of IPO proceeds through its current account with HDFC Bank. The Chartered Accountant's certificate and the Management certificate record utilisation of ₹9.50 crore towards working capital requirements and Rs.13.47 crore towards repayment of the HDFC Bank loan. • Working capital requirements: HDFC Bank informed the Company that net banking could not be enabled for the Monitoring Account. Accordingly, the Company routed its working capital payments through its current account, including the advance income-tax payment of Rs.7.50 crore made through net banking. • HDFC Bank loan repayment: HDFC Bank's IPO banking team declined the Company's request to transfer the loan closure amount directly from the Monitoring Account to the loan account.
