Limited Review Report on unaudited Standalone Financials Results of QUICKTOUCH TECHNOLOGIES LIMITED (CIN: L74900DL2013PLC329536)

To,
The Board of Director
QUICKTOUCH TECHNOLOGIES LIMITED

We have reviewed the accompanying statement of unaudited financial results of **QUICKTOUCH TECHNOLOGIES LIMITED** for the period ended **30th September, 2026**. This statement is the responsibility of the Company's Management and has been approved by the Board of Directors. Our responsibility is to issue a report on these financial statements based on our review.

We conducted our review of the Statement in accordance with the Standard on Review Engagements (SRE) 2410 "Review of Interim Financial Information Performed by the Independent Auditor of the Entity", issued by the Institute of Chartered Accountants of India. This standard requires that we plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit. We have not performed an audit and accordingly, we do not express an audit opinion.

Based on our review conducted as above, nothing has come to our attention that causes us to believe that the accompanying statement of unaudited financial results are not prepared in accordance with applicable accounting standards and other recognized accounting practices and policies has not disclosed the information required to be disclosed in terms of Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 including the manner in which it is to be disclosed, or that it contains any material misstatement.

STATEMENT OF UNAUDITED CONSOLIDATED FINANCIAL RESULTS FOR THE QUARTER AND HALF YEAR ENDED 30 SEPTEMBER 2026

Notes:

1. The above unaudited consolidated financial results have been reviewed by the Audit Committee and approved by the Board of Directors in their respective meetings held on Friday, November 13, 2026. A Limited Review of these consolidated financial results for the quarter ended September 30, 2026, has been carried out by the Statutory Auditors, as required under Regulation 33 of SEBI (LODR) Regulations, 2015.
2. These financial results of the Company have been prepared in accordance with the Accounting Standards as prescribed under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder, as amended from time to time and the other accounting principles generally accepted in India.
3. During the previous financial year, the Company received communication from the Reserve Bank of India (RBI) dated 11 March 2026, rejecting its application for a Payment Aggregator licence. The Company subsequently preferred an appeal against the said decision before the Ministry of Finance, Department of Financial Services, Government of India, on 10 April 2026; however, the appeal was subsequently rejected on July 07, 2026.
4. In continuation of the Company's primary objects and consistent with its long-term vision, the Board and senior management are now directing resources and efforts towards the expansion and development of the IT services, software development and hardware businesses. These initiatives include upgrading infrastructure, enhancing product development, pursuing partnerships, and realigning operations.
5. During the current quarter, the subsidiary has made recoveries against outstanding loans. Further, based on a reassessment of the relevant loan exposures, the subsidiary has reversed provisions that are no longer required to be maintained under the applicable RBI IRACP norms. The said recoveries and reversal of provisions have had a favourable impact on the financial results of the subsidiary for the quarter and, to that extent, have reduced the adverse impact on the consolidated financial results of the Company.
6. Other expenses for the quarter are reflected as a negative figure primarily due to the reversal of provisions recognised in the earlier period by the subsidiary in accordance with the applicable RBI IRACP norms. The reversal has been recognised in the current quarter's Statement of Profit and Loss, resulting in a net credit balance under the head 'Other Expenses'.
7. The figures for the previous period have been regrouped/ reclassified wherever necessary, to make them comparable.
