Quicktouch's Subsidiary Qtouch Business Solutions Private Limited Launches evolutionary Assessment Tool: TET

Delhi, January 27, 2025 – Quicktouch Technologies Limited's subsidiary, Qtouch Business Solutions Private Limited, proudly announces the launch of its innovative assessment tool, TET (Talent Enhancement Test). Designed to empower students from classes 1 to 12, TET is a self-assessment platform aimed at helping students track their academic progress effectively.

TET currently covers a wide range of academic boards, including CBSE, ICSE, RBSE, and other regional boards, providing comprehensive assessment capabilities tailored to each curriculum. The platform also plans to expand its reach to additional educational boards in the near future, ensuring inclusivity and accessibility for students across India. Furthermore, TET is designed to extend its features to competitive-level exams, including JEE, NEET, and other state and national-level tests, making it a comprehensive tool for academic and competitive preparation.

This innovative tool will not be limited to Quicktouch's existing student base but will also target a new audience of learners, thereby creating opportunities for a broader impact in the education sector. With features that cater to a wide range of boards and levels, TET is positioned as a versatile solution for students seeking to excel academically.

Mr. Gaurav Jindal, Managing Director, commented on the launch: *“With TET, we aim to redefine how students assess their academic performance. By integrating diverse boards and extending to competitive exams, TET will not only cater to our existing student base but will also capture a new audience of learners seeking quality self-assessment tools.”*

This launch represents a significant milestone for Qtouch Business Solutions Private Limited and its parent company, Quicktouch Technologies Limited. It aligns with their vision to empower students with cutting-edge technology while expanding their footprint in the education sector. Qtouch Business Solutions Private Limited, specializes in delivering advanced educational tools and platforms to enhance student learning outcomes.
