We conducted our audit in accordance with the Standards on Auditing ("SA") specified under Section 143(10) of the Companies Act. 2013 ("the Act"). Our responsibilities under those SAs are further described in the Auditor's Responsibilities for the Audit of the Consolidated Annual Financial Results section of our report.

We are independent of the Group and its Associates, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ("the ICAI") together with the ethical requirements that are relevant to our audit of the financial statements under the provisions of the Companies Act 2013 and the Rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the ICAI's Code of Ethics. We believe that the audit evidence obtained by us, along with consideration of reports of the other auditors referred to in paragraph (a) of the "Other Matters" paragraph below, is sufficient and appropriate to provide a basis for our opinion on the consolidated annual financial results.

Management's and Board of Directors' Responsibilities for the Consolidated Financial Results

These consolidated annual financial results have been prepared on the basis of the consolidated financial statements. The Holding Company's Management and the Board of Directors are responsible for the preparation and presentation of these consolidated financial results that give a true and fair view of the consolidated net profit/loss and other comprehensive income and the other financial information of the group including its associates in accordance with the recognition and measurement principles laid down in Accounting Standards prescribed under Section 133 of the Act and other accounting principles generally accepted in India and in compliance with Regulation 33 of the Listing Regulation.

CHARTERED ACCOUNTANTS

In preparing the consolidated annual financial results, the respective Management and the Board of Directors of the companies included in the group and the respective Management and Board of Directors, of its associates are responsible for assessing the each Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the respective Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.

The respective Board of Directors of the companies included in the group and the respective Management and Board of Directors, of its associates are also responsible for overseeing each Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Consolidated Financial Results

Our objectives are to obtain reasonable assurance about whether the consolidated financial results as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated annual financial results.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional scepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the Consolidated annual financial results, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under Section 143(3)(i) of the Act, we are also responsible for expressing our opinion through a separate report on the complete set of financial statements on whether the company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls.

- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures in the Consolidated annual financial results made by the Management and Board of Directors.

KARMA & CO LLP SURAT CHARTERED ACCOUNTANTS

- Conclude on the appropriateness of the Management and Board of Directors use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the appropriateness of this assumption. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the Consolidated annual financial results or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the group and its associate to cease to continue as a going concern.

- Evaluate the overall presentation, structure and content of the Consolidated annual financial results, including the disclosures, and whether the Consolidated annual financial results represent the underlying transactions and events in a manner that achieves fair presentation.

- Obtain sufficient appropriate audit evidence regarding the financial statements/financial information of the entities within the Group and its associate to express an opinion on the consolidated annual financial results. We are responsible for the direction, supervision and performance of the audit of financial statements/financial information of such entities included in the consolidated annual financial results of which we are the independent auditors. For the other entities included in the consolidated annual financial results, which have been audited by other auditors, such other auditors remain responsible for the direction, supervision and performance of the audits carried out by them. We remain solely responsible for our audit opinion. Our responsibilities in this regard are further described in paragraph (a) of the Other Matters paragraph in this audit report.

We communicate with those charged with governance of the holding company and such other entities included in the statement, of which we are the independent auditors, regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

We also performed procedures in accordance with SEBI Circular CIR/CFD/CMD1/44/2019 dated 29 March, 2019, issued by the SEBI under Regulation 33(8) of the Listing Regulations, to the extent applicable.

Other Matters

We did not audit the annual financial statements of 1 subsidiary and 1 associate included in the Statement. These annual financial statements have been audited by other auditors whose audit reports have been furnished to us by the management, and our opinion in so far as it relates to the amounts and disclosures included in respect of these subsidiaries / associate is based solely on the audit reports of such other auditors, and the procedures performed by us as stated in paragraph above.

Our opinion is not modified in respect of this matter with respect to our reliance on the financial information certified by the Board of Directors.
