Report of the Monitoring Agency

Name of the issuer: Quadrant Future Tek Limited

For quarter ended: June 30, 2026

Name of the Monitoring Agency: CARE Ratings Limited

(a) Deviation from the objects: Nil

(b) Range of Deviation: Not applicable

Declaration:

We declare that this report provides an objective view of the utilization of the issue proceeds in relation to the objects of the issue based on the information provided by the Issuer and information obtained from sources believed by it to be accurate and reliable. The MA does not perform an audit and undertakes no independent verification of any information/ certifications/ statements it receives. This Report is not intended to create any legally binding obligations on the MA which accepts no responsibility, whatsoever, for loss or damage from the use of the said information. The views and opinions expressed herein do not constitute the opinion of MA to deal in any security of the Issuer in any manner whatsoever. Nothing mentioned in this report is intended to or should be construed as creating a fiduciary relationship between the MA and any issuer or between the agency and any user of this report. The MA and its affiliates also do not act as an expert as defined under Section 2(38) of the Companies Act, 2013.

The MA or its affiliates may have credit rating or other commercial transactions with the entity to which the report pertains and may receive separate compensation for its ratings and certain credit related analyses. We confirm that there is no conflict of interest in such relationship/interest while monitoring and reporting the utilization of the issue proceeds by the issuer, or while undertaking credit rating or other commercial transactions with the entity.

We have submitted the report herewith in line with the format prescribed by SEBI, capturing our comments, where applicable. There are certain sections of the report under the title "Comments of the Board of Directors", that shall be captured by the Issuer's Management / Audit Committee of the Board of Directors subsequent to the MA submitting their report to the issuer and before dissemination of the report through stock exchanges. These sections have not been reviewed by the MA, and the MA takes no responsibility for such comments of the issuer's Management/Board.

Particulars	Reply	Source of information / certifications considered by Monitoring Agency for preparation of report	Comments of the Monitoring Agency	Comments of the Board of Directors
Is there any major deviation observed over the earlier monitoring agency reports?	No	Management certificate, Chartered Accountant certificate*, Bank statements, BSE / NSE website	Not Applicable	No comments from board.
Whether all Government/statutory approvals related to the object(s) have been obtained?	No	Management Certificate, BSE / NSE website	As per the management certificate, the company has obtained all requisite approvals for its stated objects. The company has received approvals from Indian Railways for field trials, and a dedicated track has been assigned for the same. However, final approval for the KAVACH project from RDSO is still pending. The company is in the final stages of obtaining RDSO approval, with management expecting receipt of the same by September-end to early October.	"The Company has obtained all Statutory and Regulatory approvals required for undertaking its stated objects." "As far as the approval for the KAVACH project is concerned, it is not a statutory or regulatory approval; rather, it is a commercial approval. The Company has already received the requisite interim approval for the KAVACH project. Further, ISA approval process is actively ongoing as the Company has received permission from Indian Railways for undertaking field trials, which represents the final stage of the approval process"
Whether all arrangements pertaining to technical assistance/collaboration are in operation?	Yes	Management Certificate	As per the management certificate, all the arrangements pertaining to technical assistance / collaboration are in operation.	No comments from board
Are there any favorable/unfavorable events affecting the viability of these object(s)?	Yes	Management Certificate	The company has an unutilized balance of Rs. 22.73 crore in the object "Capital expenditure requirements for development of Electronic Interlocking System". There has been a delay in utilization for the above-mentioned object as the expected date of completion was FY26. It may lead to cost overruns and delayed	The company would like to clarify that all the objects of the issue have been completed, except for the capital expenditure requirements relating to development of Electronic Interlocking System. Against the total amount of Rs. 24.38 crores earmarked for this object, Rs. 1.65 crores have

			project execution, which may adversely impact on the overall viability of the object.	already been incurred. The Company has adopted a phased approach towards deployment of the IPO proceeds to ensure efficient and prudent utilization of funds. The Company has initiated in-house development of the software and associated systems, which is expected to provide greater control over the development process, facilitate customization as per project requirements and optimize the overall development cost.
Is there any other relevant information that may materially affect the decision making of the investors?	Yes	Management Certificate, BSE website	The company is yet to receive final approval for the KAVACH project from RDSO. In the meantime, substantial investments in R&D, employee costs, equipment and material costs related to the KAVACH project have resulted in continued losses since Q1FY26. Any further delay in receiving the approval may adversely impact the Company's financial performance. During FY26, the company reported a net loss of Rs.42.86 crore.	The KAVACH project is a safety-critical evaluation framework. The Railway Board conducts a comprehensive and rigorous assessment and running in actual conditions to ensure full compliance with all prescribed safety standards. Given the critical importance of safety, this process necessarily involves detailed scrutiny and, accordingly, requires extensive time and it is a normal Railway practice for such projects. The expenditure towards R&D, employee costs, equipment, and materials for the KAVACH project are strategic in nature and are in line with the Company's long-term business objectives and the execution of its existing order book. The net loss reported during FY26 is primarily attributable to upfront investments made for development. and commercialization of the KAVACH project during
