Subject: Intimation under Regulation 30 of SEBI (Listing Obligation & Disclosure Requirements) Regulations, 2015.

In compliance with Regulation 30 of the SEBI (Listing Obligations & Disclosure Requirements) Regulations, 2015, we are pleased to inform you that Quick Heal Technologies has received a significant purchase order from NFSU Research and Innovation Council, details of which are provided below.

This initiative aligns with our ongoing academy business and supports our strategic objective of enhancing national cyber resilience. The project further underscores the trust placed in our ability to deliver impactful, large-scale educational programs. The scope and value of this order represent a key milestone in our continuing engagement with government and educational institutions.

Historically, our academic division has received multiple purchase orders from educational institutions, colleges, and universities across India for cybersecurity education initiatives. However, this order marks a major commercial engagement, reinforcing our leadership in this space. With this development, we anticipate similar projects to become a consistent and recurring part of our business portfolio.

We remain committed to advancing cybersecurity education and fostering a resilient digital ecosystem.

Details Required under Regulation 30 of SEBI (LODR) Regulations, 2015, pursuant to Circular no. CIR/CFD/CMD/4/2015 dated 9th September, 2015.
