The underlying litigation was concluded in favour of the Hoding Company during the year ended March 31, 2023, and the corresponding refund was received during the quarter ended June 30, 2026. The Holding Company continues to monitor the finalization, notification and implementation of State-specific rules and any further clarifications issued by the appropriate authorities in relation to the New Labour Codes and will assess the impact of any future developments as they arise.

Entity wide segment disclosures pursuant to Master circular for compliance with the provisions of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 by listed entities as amended from time to time.
