

Dear Kailash,

Date: August 07, 2026

This is in continuation of our discussion held on June 8, 2026, regarding my decision to move on for personal reasons, please accept this letter as my formal resignation at Quick Heal Technologies Limited with immediate effect.

This has been one of the most difficult decisions for me to make, given the unwavering trust and confidence that the leadership team placed in me from the very beginning. The freedom to take ownership of my work, coupled with the encouragement to think creatively and drive initiatives independently, has been truly invaluable. Knowing that my contributions were valued and that I could always count on wholehearted support, guidance, and empowerment to innovate and execute ideas, programs, and initiatives across functions has made this journey immensely rewarding.

Thank you again for everything and heartfelt appreciation for the opportunity to grow and contribute.

I wish you and the Company all the best.

Lalit Mohan
